Programme

A multi levelled set of coaching programmes are carefully designed to challenge and raise the level of the students' golfing skills. Top class PGA accredited coaching is offered in three different levels or tiers. They are packaged as Tier One: *Experience Golf*, Tier Two *Compete in Golf* and lastly Tier Three: *Excell in Golf*. Alternatively ad hoc individual lessons can also be provided. Membership of the world famous Rotorua Golf Club enables unlimited practice and automatic associated club membership widens the options even further. Many opportunities are there to compete in numerous tournaments. JPC will accommodate as far as possible any requests to meet any golfing commitments.

Coaching

The Head Professional Coach is Anthony (Ant) Barkley AA NZPGA, BSES. He has rich coaching experience and formally trained with the David Leadletter Golf Academy. Currently, he has two elite Juniors under his wing - one represented New Zealand last year for U13 and the other is a 14 year old boy who won the Waikato Under 16 Title.

Cost

The costs for the each of the 3 Tiers are clearly itemised into core as well as optional expenses. To make it easier to follow there is an overall 10 week suggested core expense but this can be tailor made to what services you require.

The Junior Club annual fee is NZ\$ 150 which gives full access to the facilities and privileges of the Rotorua Golf Club—which course is world famous for its unique geo-thermal features.

The extra options are wide ranging and include a personal one-on-one fitness training at Waiariki Polytechnic.
