They played the top Gold Coast Waterpolo teams from Trinity College, each team winning by 10 goals. This was a fitting finish for our Year 13 students-Ana, Sam, Rosie, Judith, Sophie, Hannah and Mason. Many thanks to the parents who travelled with the group-Mr and Mrs Bird, Mr Piebenga, Mr and Mrs Gimblett, without your support and time we could not go on this amazing trip. Ali McHugh

The editor of D-Photo, Adrian Hatwell, commented, "Edin should be especially proud of that prestigious title, as competition this year was the fiercest we have seen in the awards' history...culminating in 5783 images received".

Edin's photograph is on the cover of the August-September issue of the magazine and she won over \$3000 in prizes. In 2012 Edin won their Young Wildlife Photographer of the Year award.

THE LARAMIE PROJECT

A PLAY BY MOISÉS KAUFMAN AND MEMBERS OF THE TECTONIC THEATER PROJECT. DIRECTED BY GABRIELLE THURSTON.

8-9 AUGUST 2014
7.30PM, CASA BLANCA THEATRE

Tickets available from John Paul College

The Laramie Project

The most performed play in America today. A must see and only three performances. Get your tickets immediately from John Paul College. Opening Friday night, Saturday matinee and Saturday night.

The Laramie Project is a critical piece of theatre highlighting the faults in our culture. The John Paul College Senior Drama class has taken this project on with sincerity and commitment. *The Laramie Project* is a documentary-style play written by Moisés Kaufmann in 2000 that analyses the death of Matthew Shepard.

Although the themes are adult, society as a whole would benefit from seeing this well written play. The play draws on hundreds of interviews conducted by the theatre company with inhabitants of the town, company members' own journal entries, and published news reports.

Mathew's murder has become a rallying cry by those who embrace so-called "hate crimes" legislation. In October 2009, the United States Congress passed the Matthew Shepard and James Byrd Jr. Hate Crimes Prevention Act (commonly known as the "Matthew Shepard Act")

On 28 October 2009, President Obama signed the legislation into law.

The Laramie Project is the chronicle of the life of the town of Laramie, Wyoming a year after the murder of Matthew Shepard.

THE SHIP FOR WORLD LEADERS

Kia ora!

So, last year I was selected to represent Aotearoa/ New Zealand on the Ship for World Youth Programme hosted and fully funded by the government of Japan. It was a great privilege to be a part of such an amazing programme, bringing together over 200 young leaders from around the world to share ideas, learn from each other and make lifelong friendships.

This is an opportunity of a lifetime and for almost all ex-participants its a life changing event. Since completing the programme, I now have a worldwide network and have travelled to Peru, Chile, Rapa Nui (Easter Island), Hawaii, Vanuatu, Melbourne and due to fly out to Turkey & Egypt end of August to hang out with them J. This programme delivers a number of leadership workshops and the chance to learn about other cultures from around the globe.

Applications are now open for the 2015 programme, they are looking for 9 awesome, passionate, fun and inspirational people to represent NZ – YOU or YOUNG PEOPLE YOU KNOW!

Here's a little blurb and the link to the application:

The Ship for World Leaders

The Ship for World Youth Leaders is a unique international youth exchange programme funded by the Government of Japan. The Ministry of Youth Development is seeking young New Zealanders between 18-30 years of age to apply for nine funded places on the programme.

Applications are also invited from New Zealanders between 30-39 years of age to apply to be the National Leader for New Zealand.

For more information: <http://www.myd.govt.nz/news/2014/ship-for-world-youth-leaders.html>

Please support young people to apply, even if they are unsure – its good practice to encourage youth to seize these types of opportunities helping them to understand their unlimited potential.

Happy to help or talk with anyone that may be interested.
