A WEEKLY NEWSLETTER FOR THE JOHN PAUL COLLEGE COMMUNITY  
Term 3, Issue 26 11<sup>th</sup> August 2014

*Ma te pono Me te aroha – Through Faith and Love*  
2014 School Theme : 'Who Dares Wins'

Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings

## **SCHOOL FEES**

Thank you to all parents and caregivers who responded positively to my letter to pay overdue school fees. Your contribution makes a significant difference to providing first class facilities and resources to students attending John Paul College.

## **SCHOOL FEES & ATTENDANCE DUES**

It is important to note that there are two distinct charges to parents whose children attend John Paul College. Attendance dues are charged by the Hamilton Diocese, largely for buildings, while school fees contribute to resources and running costs of the school.

The Hamilton Diocese have spent well over \$10million on buildings for JPC over the last decade. A new technology block, costing \$3.3million will be ready for use at the start of term one 2015.

## **NCEA FREE APP RECOMMENDED**

NZQA have a free NCEA app available. It is an excellent resource for all parents who wish to understand NCEA better and thereby support their children's learning. I strongly recommend you download this free app. Information is available on page 3 of this newsletter.

## **ENROLMENTS FOR 2015**

I am pleased to advise that John Paul College will have a very full roll next year. I have been impressed, once again, by the calibre of students seeking a place at the College.

The priority for families wanting a solid Christian education in a safe learning environment, where academic excellence and extra-curricular achievement is promoted.

Please be advised that applications for 2015 have now closed and any received from now will be placed on our waiting list pending available places at the end of the year.

Because of the numbers on our waiting list, please advise the school as soon as possible if your child will not be attending John Paul College next year.

## **UNIFORM POLICY**

All students were notified at assembly last week that due to some students who continue to disregard our uniform policy, the following procedure has been put in place for repetitive offending of the following, e.g wearing of makeup, not shaving (boys), nose piercings, more than one earring in each ear, hair below the shoulders not tied up.

### **The procedure:**

Students will be placed in time out for the day with a phone call home. If the offending continues a meeting with the principal will be arranged

God bless

**Patrick Walsh**  
Principal

### ATTENTION PARENTS OF YEAR 12 STUDENTS:

There will be a **parent information evening TONIGHT** at 5.30pm in RSC1 regarding the 2015 Year 13 Business Studies China trip.

If your child is intending to study Year 13 Business Studies in 2015 and they are interested in coming to China, it would be helpful if you are able to attend.

If you have questions before the meeting, please don't hesitate to make contact.

### **NCEA Guide: Mobile App**

To help parents and employers better understand NCEA, NZQA has developed an app designed for mobile devices - phones and tablets. Called NCEA Guide, the app is for parents, whānau and employers and provides quick and easy access to key information about NCEA. NCEA Guide includes key content about the structure of NCEA, how the qualification is used after studying, how credits work, and how endorsements are earned. Users can also choose to view the content in English or Te Reo.

Importantly, parents and whānau can also get information about how they can support family members studying towards gaining their secondary school qualification.

For employers, content focusses on what they can expect to see when job candidates show them documents detailing their qualifications and what they have studied.

The NCEA Guide App is free to download from the [Apple App Store](#) and [Google Play Store](#). Get it now:

### JPC FOOTBALL 1<sup>ST</sup> XI BEAT RBHS 1<sup>ST</sup> XI 4-1

Last Tuesday night the 1<sup>st</sup> XI played their third game of the year against cross down rivals Rotorua Boys High. At that point it was a win each for these teams and this was the deciding third game in the Rotorua secondary schools competition.

JPC started a little slowly and had the goal keeping skills of **James Towers** and a solid back line led by **Hamish Watt** to thank for keeping the score at nil-all at halftime. JPC forced their way into the game with **Dilan Nanayakarra** and **Jack Tomblison** exerting control in the midfield and looking to dominate their Boys High opposites.

Eventually Boy's High cracked and striker **Tyson Rimmer** showed class and poise above his years to score three fine goals as JPC raced away for the win.

The ever improving **Connor Laing** netted another goal (his third in three games for the 1<sup>st</sup> team) and JPC finished up worthy 4-1 winners.

Team management singled out Captain **James Towers, Daham Nanayakarra** and **Hamish Watt** for outstanding performances on the night but the whole squad were fantastic. This is a very young team with a big future.

Thank you to local Referee Tracey Te Kiri for giving up his own time to control this fixture.

**On behalf of John Paul College** I would like to say a big thank you to all of our wonderful coaches who have supported our girls throughout the season and dedicated their time to attend trainings and games during the week and weekends. Without your commitment and expertise, we wouldn't have had the number of teams this season and interest from the girls. Thank you for your help this year and I cannot express my appreciation for the amount of time you have taken to coach. Thank you again. Natasha Rogers TIC of Netball.

9 May 2014

My name is Lyn Whelan and I write in my capacity as the New Zealand Society of Genealogists (NZSG) appointed Child and Youth Education Co-ordinator to seek your assistance. To coincide with recent Anzac Day commemorations, the NZSG launched a long running competition for all students attending New Zealand schools, to commemorate service during the war years. The competition will close on 11 November (Armistice Day) 2014.

I am contacting schools, public libraries, community youth groups and organisations, historical societies, and teaching organisations nationwide in the hope that you can facilitate student awareness around your region of this competition. Students will have an opportunity to explore genealogy, family history and New Zealand's bi-cultural heritage, beyond the formal classroom environment by way of poster or written submission.

There are two sections in the competition - one for primary aged students in years 1 to 8, and a second section for secondary students in years 9 to 13. Entrants are asked to prepare either a poster or a written account of the story of an ancestor, relative or someone known to them (of either gender) who served in any branch of the forces of any country, at home or overseas. Specific information on entry criteria, submission requirements, and prize information is detailed on the NZSG website at [http://www.genealogy.org.nz/Competition\\_604.aspx](http://www.genealogy.org.nz/Competition_604.aspx)
