CATHOLIC SOCIAL JUSTICE WEEK 14-20TH SEPTEMBER

This year Caritas is concentrating on Catholic Social Teaching (CST) and focusing on the seven principles of CST.

- Preferential Option for the Poor & Vulnerable
 - Human Dignity
 - Common Good
 - Participation
 - Stewardship
 - Solidarity
 - Subsidiarity
- Over the next 4 weeks we will take a brief look at each of these key teachings using some of the resources provided by Caritas NZ.

The poor and vulnerable have a special place in the kingdom of God. Putting into practice the preferential option for the poor means considering the impact of our own decisions and of public policy on the most vulnerable members of society. Christ taught that when we feed the hungry, offer hospitality to the stranger, clothe the naked, look after the sick and visit those imprisoned, we are looking after Him.

Caritas Aotearoa New Zealand has focused on the St Vincent de Paul Full Fill Van service in Rotorua

www.caritas.org.nz/resources/CST

Each of us is made in God's image. Every person has an innate human dignity no one can take away. Human dignity - te mana i te tangata - is given freely to all human beings; whether saint or sinner, imprisoned or freed, powerful or marginalised. Christ died for all, so all can have fullness of life. Our common humanity requires that we respect and uphold the dignity of each and every human being. All our other rights and responsibilities flow from this dignity.
