## Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings

### CONTACT FROM SCHOOL ABOUT YOUR CHILD

Educational research has consistently shown that when parents and teachers are working collaboratively and in regular contact, it makes a significant difference to student achievement.

On this basis, I would encourage you to:

- Read and discuss your child's interim report
- Attend with your child the upcoming parent/teacher interviews
- Know their assessment schedule and how they are progressing with NCEA
- Contact your child's teachers if you have concerns
- Respond to teachers phone calls, emails and letters about your child

### CALL FOR COACHES & MANAGERS: YOUR SCHOOL NEEDS YOU!

John Paul College has a highly successful and comprehensive co-curricular programme. With over 1100 students, it can only work with the generous support of parents who volunteer to be coaches and managers.

Regrettably, we will not be able to say 'yes' to some students who wish to play sport if we do not get sufficient parent volunteers.

You do not need to be an expert or great athlete yourself to take a sports code. It simply requires your time, energy, enthusiasm and organisation. You will be well supported by our Sports Director.

We urgently seek coaches and managers for:

*Netball, Soccer, Basketball, Badminton*

Please contact Arthur Faulkner, our Sports Coordinator, on xtn 8801 if you can be of assistance.

**Together Everyone Achieves More**

God bless  
Patrick Walsh  
Principal

## DYSLEXIA ADVOCACY WEEK BEGINS MARCH 17

During this week, the Dyslexia Foundation would like you to be aware that the Government officially recognizes dyslexia and in 2007 through mainstreaming dyslexia they changed the paradigm from one of disability to one of difference.

John Paul College recognizes and understands what it means to be dyslexic and to have learning barriers. We try to provide effective action so we can assist dyslexic students and students with learning barriers to access the curriculum and use their talents.

GRANTS ARE AVAILABLE TO EVERYONE**

# VOTE FOR OUR JPC NETBALL TEAM

The netball season is approaching faster than Laura Langham can pass a netball down mid-court. For many players and teams that means starting the season with last year's worn-out equipment and uniforms.

Behind every level of netball, from the schoolyard to the elite, ANZ is awarding \$100,000 worth of netball grants through the ANZ Grant Scheme to help schools, clubs, teams and fans to get more from the game.

Whether you need help with purchasing new uniforms or gear, new hoops and nets or even help getting to a tournament – you can apply for a grant.

To apply, simply visit [anzcourtside.co.nz](http://anzcourtside.co.nz) and let us know what you need the grant for and why. Then, get your friends and family behind you by **voting for your application – the more votes you receive, the better your chances.** If you've applied before but haven't yet received a grant, make sure you make another application. And if you have received a grant, remember individual players, other teams and coaches can also apply, as well as the overall school or club.

Successful applicants will be announced in four rounds between March and June. The deadlines for entries are:

Round one: 11 March 2014

Round two: 08 April 2014

Round three: 06 May 2014

Round four: 03 June 2014

Visit [anzcourtside.co.nz](http://anzcourtside.co.nz) to apply.
