A WEEKLY NEWSLETTER FOR THE JOHN PAUL COLLEGE COMMUNITY
Term 2, Issue 15 18th May 2015

Ma te pono Me te aroha – Through Faith and Love
2015 School Theme : 'Per Ardua Ad Astra – Through Adversity To The Stars'

Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings.

MID-YEAR EXAMS Years 10-13: 25th – 29th May

These exams were introduced a few years ago for three main reasons:

1. To refocus students back to their 'academic studies, which is the primary purpose of attending JPC.
2. To give students the experience of sitting exams in preparation for external NCEA exams at the end of the year.
3. To give feedback to students and parents on how they are progressing.

Please ensure your children prepare well for these exams and take them seriously.

BEAUTY and THE BEAST: VOTE OF THANKS

A big vote of thanks to all parents and friends of the college, who supported our production. It was a fantastic season made worthwhile by your support.

2016 ENROLMENTS

We are now accepting enrolments for the 2016 intake.

Application forms and information are available on the college website www.jpc.co.nz. The deadline for application is 30th June and enrolment interviews will commence the first two weeks of July. Please email sue.rowles@jpc.school.nz if you have any enquiries.

Application forms will be distributed to St Marys and St Michaels students from their respective offices and the interview process will be completed at the primary school.

**OPEN NIGHT will be held on Thursday 18th June at 5.00pm
commencing with tours of the campus**

PARENTS ARE REMINDED not to park within the school gates or the bus bay area after school to pick up their children. This is a huge risk to our pedestrian students as they leave the campus, even more so when it is raining.

AFTER HOUR CAMPUS SECURITY

Please ensure, if you are parked on the campus grounds after school i.e sports practice etc, that your vehicle is moved outside the gates before 5pm or risk being locked in overnight.

God bless

Patrick Walsh - Principal

Teaching the Faith

"Did you know that one third of the Baptised Catholic children in New Zealand do not have the opportunity to attend a Catholic School? The Pastoral Council is working on the development of a programme that will assist parents of these baptised children in the Rotorua area to teach them the Catholic Faith. If you are a Parent, Grandparent, Guardian or Teacher or just interested in passing on the Faith, you are invited to attend a meeting in the foyer of St Mary's on Thursday 21st May at 7.00pm to discuss the need and content of the programme. Your input is vital to ensure the success of this project"

Joe Kilkelly

ICAS SCIENCE COMPETITION

LOCAL DRAGONS DEN BIG HELP TO STUDENTS

Two JPC students, **Te Rina West and Kerriane Khau**, pitched their business venture of multi-lingual colouring-in books to the Dragon's Den last Friday. *"We've started with three languages, English, Maori and Chinese, but would love to extend that as the company takes off. The panel gave us really good feedback on how we could improve and we will definitely take that on board."*

This is one component of the Young Enterprise Scheme, which allows each student or group of students to pitch their business idea to a panel of local judges, giving students a taste of what business is really like.

(An excerpt from the Rotorua Daily Post: Monday 18th May)

CONGRATULATIONS to the JPC Claytarget Team who won the team shoot, with 278/300, at the Murray Luke Memorial competition held at the Taupo Clay Target Club last Thursday.

Bayley Austin came fourth in the Individual Shoot

U15 RUGBY NEWS

Congratulations to the JPC U15 Rugby team had a win against RBHS B in the weekend 31 - 7.

Played with a lot of feeling as most local derby's are, the team played with tenacity and courage to secure the win.

From being behind 7 nil early on they went on to score 31 unanswered points. It was an awesome game to watch.

Well done to the U15 squad and coaches.

CONGRATULATIONS TO MAKAYLA TIMOTI (Year 10), who captained her J16, Hei Matau team, to 1st place in the 2015 Active Post National Long Distance Waka Ama Championships. This was held at Ruakaka, Northland on Easter weekend.

Her team competed in the W6 12km - J16 Women, an open sea race.

Kia ora tatou from the Counsellors.

This Friday (22nd May) is **Pink Shirt Day**

From the NZ Mental Health Foundation: ***“Pink Shirt Day is about working together to prevent or stop bullying by celebrating people's difference and promoting positive relationships.”***

Pink Shirt Day began in Nova Scotia, Canada in 2007. A group of students decided to defend a kid who was bullied for wearing a pink shirt. In a show of solidarity, many of his peers turned up to school the next day wearing pink shirts, and Pink Shirt Day was born. **By wearing a pink shirt, or a pink wrist band, people identify themselves as an ally. Wearing pink is a way of showing those being bullied that there are many people around who care.**

At JPC we are strongly committed to standing together against bullying and hope that all will support this worthy cause. From today, students will be selling pink wrist bands which may be worn throughout the week. As we have just had a mufti day to fundraise for the Nepalese people following the recent earthquakes, **student involvement this year will be limited to the wearing of wristbands and stickers, no shirts this year.** However, keep an eye out for staff members on Friday, looking stunning in pink!

THIS WEEK'S FOCUS – ANTI-BULLYING

Bullying itself is an issue that invites a strong emotional reaction and it is helpful to keep in mind that what we stand against is the **bullying behaviour**, not the child involved. When it is your own child being targeted it is easy to vilify the culprit, but actually most cases of bullying occur within friendship groups and children often hope to restore friendship once the bullying has stopped. For this reason it is really helpful for parents to keep calm and focus on stopping the problem behaviour rather belittling or maligning individuals. Even the worst “bullies” have been good, kind and loyal friends at other times. We thought it might be helpful for our wider school community to hear about some of what we do within counselling and as part of our wider pastoral care, to stand against bullying and in support of friendship.

Bullying Surveys

Later this term, students from all year levels will be asked to complete a non-identifying survey about any experiences they have had this year around bullying at school. They are invited to name any students, including themselves, who they think are the targets of bullying. Also, any students they have noticed who are bullying others. The results of the survey are collated and the counsellors and year level deans speak individually with every child named. At JPC we believe it is important that all students have the opportunity to contribute to a safe and inclusive school and we have found this an effective and non-threatening way for all student voices to be heard.

Under Cover Anti-Bullying Teams (UCABT)

UCABTs have been used with great success in support of students who have felt excluded and “picked on” by others. Counsellors work alongside the child on the receiving end of bullying, to put in place a team of influential “undercover supporters” within the child’s class. Students report that this makes an immediate and profound difference to their sense of belonging and happiness. It’s also wonderful to see the learning that happens for those on the support team, with values and skills learned, following them throughout their time at school.

A large part of what we do as counsellors is around relational work with students and we appreciate your input as parents, caregivers and whanau. If you have a concern that your child is being bullied or is bullying others, please don't hesitate to contact us at school.

Na mihi nui kia koe,

Nancy Macmillan and Neil Carter

APPLICATIONS FOR THE HALLS OF RESIDENCE AT WINTEC STUDENT VILLAGE ARE NOW OPEN FOR 2016.

WINTEC STUDENT VILLAGE - ACCOMMODATION

With Term One now behind us, high school students in Year 12 and 13 are starting to think seriously about their futures and their options for furthering their education.

I thought this would be a good time to send information out to prospective Wintec students about Wintec Student Village, accommodation dedicated to Wintec students in their first year away from home.

I strongly urge you to encourage all students who are thinking of coming to Wintec to consider staying at the Village. A hall of residence is a great place for first year tertiary students. It removes many of the hassles that are usually involved in making the transition from home to tertiary education and allows students more time to concentrate on their studies and extracurricular pursuits.

APPLICATION FORMS ARE AVAILABLE AT:

www.wintec.ac.nz/accommodation/village/Pages/index.aspx

The first round closing date for applications is 5pm, Friday 30th October 2015

Students interested in coming for a tour of the Village can make an appointment by calling us on 07 834 9224 or emailing studentvillage@wintec.ac.nz Parents and whanau are also welcome to join.

For more information about accommodation at Wintec Student Village and Wintec Apartments, please follow the link to our website www.wintec.ac.nz/studentvillage

2015 CROSS COUNTRY RESULTS

Last Friday, the day started a bit overcast with drizzle. Unfortunately due to overnight rain, the creek crossing part of Cross Country, was closed.

During the Year 9, run the heavens opened up and the runners got soaked.

Then it cleared for Year 10 run, but right on the start Mother Nature let rip, Gazebos went flying, the oak trees had branches broken off, the autumn leaves were blown to one end of the school, and the poplar trees were bending and being stripped of twigs and leaves.

Senior Cross Country will run at a later date.
