## JOHNPAL COLLEGE ESTABLISHES ALUMNI FUND – Mr Chris Lock: Foundation Sponsor

I am delighted to advise that John Paul College has established an Alumni Fund through the 'Geyser Community Foundation. Mr Chris Lock, who attended the college ten years ago, and is already a successful businessman in printing, with outlets in Wellington and Auckland, is our foundation sponsor.

We encourage all former students and friends of the college to follow Mr Lock's example. Donations of any amount can be made and can be tagged to specific projects e.g scholarships, buildings, promoting Catholic Character. Donors are also entitled to a tax rebate.

I welcome the opportunity to speak to anyone considering supporting the JPC Alumni Fund. For more information, go to [www.jpc.co.nz](http://www.jpc.co.nz) and following the link to Alumni Fund/more information.

## SAFETY AFTER SCHOOL PRACTICES/HOMEWORK CENTRE

If you are picking up your child after school and particularly after 5pm, please ask them to wait under the bus shelter near the side exit to the school. This will protect them from the elements and unwanted attention from some pedestrians and motorists.

God bless

Patrick Walsh - Principal

## 2015 Building Levy

You would have received a letter from Lyall Thurston, our Board Chairperson regarding the 2015 Building Levy. This is an increase from previous years to \$60 for a single student and \$80 per family. The donation will specifically target the proposed Performing Arts Centre at the McKillop Campus. In previous years your donation has contributed to the Edmund Rice Centre and the Bishop Denis Browne Centre which opened this year.

This donation qualifies for a tax credit and we are happy to provide a donation certificate on request.

If you are making your payment online please put 'Build' as a reference.

Dear Parents and Caregivers

The **YEAR 11 RETREATS** will be taking place on Monday 15 and Tuesday 16 June 2015. Students will be participating in a range of workshops presented by the Real Talk Team who are based in Brisbane Australia.

The Retreats will be based at St Mary's Parish Hall on the corner of Seddon and Ranolf Streets. Your child will need to be at the Parish Hall by 8.40am for a roll check and will conclude at 2.45pm. Students are to make their own way to and from the Parish Hall and are allowed to wear mufti on their Retreat day. Please ensure your child has a packed lunch with snacks and a drink as due to Health and Safety requirements, they are not allowed to leave the Hall to go to the shops. Students will be attending in their Religious Education Classes.

Please note which day your child will be attending.

#### **Monday 15 June:**

**11.4 RED class and 11.5 RED class with Mrs Aislabie**

**11.3 RED class with Mrs Fredricksen**

#### **Tuesday 16 June:**

**11.1 RED class with Mrs Stewart**

**11.2 RED class with Mrs Bloomfield**

**11.6 RED class (Mrs Fredricksen's RED class will need to attend this day to balance group numbers)**

Please find attached the parent's letter from the Real Talk team and the topics being covered during the Retreat day. As Retreats are part of the Religious Education programme it is compulsory for your child to attend Retreats, however, if there is a clash with another school activity your child should organise with their Religious Education teacher to attend on the alternate day.

Thank you for your ongoing support of our Catholic Character at John Paul College.

Kind regards

## CONJUNCTIVITIS ALERT

Conjunctivitis is sometimes called 'sticky eye' or 'pink eye'. It can be caused by a bacterial or viral infection, chemical irritation, ultraviolet burn or an allergy.

**Infected conjunctivitis is contagious.**

It's normal for some eye discharge to collect in the corners of eyes during the night, creating some morning crusting (sometimes called 'sleep').

Infected conjunctivitis often comes when dirty fingers, towels, handkerchiefs, or facecloths touch the eye. Symptoms appear 24–72 after you catch conjunctivitis.

- If you or a family member has infected conjunctivitis, the white part of your eye will be red and feel gritty.
- This is followed by a clear, green or yellow discharge from your eye which forms a crust overnight and can make your eyelids stick together in the morning.

**Bacterial infection** usually occurs in both eyes and produces more discharge. A **viral infection** is more likely to be in just one eye with only a slight discharge, and may go along with other symptoms like a sore throat.

If you think you have conjunctivitis, see your doctor.

## PREVENTING ITS SPREAD

If you or your child has infectious pinkeye

- \* **keep them away from school** for 24-48 hours; notify the school of their condition
- \* **avoid** touching the eye area
- \* **wash your hands frequently**, particularly after applying medications to the area.

**Never share** towels or handkerchiefs, and throw away tissues after each use. Change linens and towels daily. Disinfect all surfaces, including countertops, sinks, and doorknobs.

**Girls are encouraged not to share eye makeup** (even if there are no obvious symptoms showing). Throw away any makeup used while infected.
