Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings.

SICKBAY BUDGET

It has come to my attention that many students are attending the Sick Bay to request anti-histamine, asthma, headache (Panadol) and sore throat medications on a regular basis. If your child is prone to hayfever and/or asthma or presenting with flu symptoms can you please provide medications to the school nurse, Mrs Flavell, who will write the child's name on the packet and hold in storage for 'your' child. We provide medication on the first visit to the sick bay to enable the child to finish the school day but would appreciate home supplied medication for subsequent visits. Alternatively, if your child is sick and requiring constant medication please keep your child home to avoid infecting other students.

IMPORTANT INFORMATION FOR PARENTS/ STUDENTS

The following information is with regard to Text / Facebook Bullying and Harassment.

Text / Facebook bullying can take a number of forms:

- Mean or offensive messages – received once or repeatedly
- Being bombarded by a large volume of messages
- Offensive or upsetting video or photo messages
- Threatening messages
- Persistent unwanted messages

Strategies if you get unwanted messages

- Do not reply. The sender may get bored and stop sending them
- If you do reply and want to make a complaint the telephone company may delay the process
- It is important to keep the unwanted messages on your phone and the number the messages were sent from. The date and time of the message is also important
- Talk to someone you trust, such as your parent/ caregiver, teacher or guidance counsellor at school or you can call 0508 NETSAFE – 0508 638 723. It is important to talk to someone so they can provide you with support and help
- If you receive a message, which threatens to harm you or your property, you should keep the message saved on your phone and go to your local police station, 3499 595. If you feel you are in immediate danger, call 111 straight away

Who can you call about unwanted messages?

NetSafe 0508 NETSAFE (0508 638 723). If you are a Telecom customer, you can call them free if the bullying persists on 0800 809 806. The short cuts for the voice menu are 1, then 2, and then 0. Hours Mon-Fri 9.00a.m – 4.00p.m

If you are a Vodafone customer, you can phone them free on 777 from your mobile or on 0800 800 021 from landline. The call centre is available 7 days from 8a.m – 8p.m

Things you can do to prevent text / facebook bullying

- Be careful about who you give your number to. Never give out someone else's number without asking them first
- Don't reply to texts from people you don't know. In some cases, bullies send out random texts and wait to see who responds.
- Think about whether something you are sending might make another person feel uncomfortable. It might be a joke to you but not for someone else. If it does not feel right for you do not send it.
- Be careful about who you invite onto your Facebook contacts. Never give anyone else your Facebook password or the opportunity to access your Facebook
- **A friendly reminder to John Paul College students**, if you are sending any unwanted messages to anyone during school hours or after school hours, you are breaking the school rules i.e the Cyber Safety Agreement or ICT form you have signed to enter this school. Anyone who is sending text / facebook bullying messages or unwanted messages will have their phone confiscated and your parents/ caregiver will be notified. This includes if someone else uses your phone to send a text bullying message. If it is your phone it will be removed. Think carefully about who you are lending your phone to and what they are doing with it. The police will be informed and the telephone companies will also be notified of your actions. This can lead to your phone being blocked, as this is a criminal offence and you can be prosecuted. For any more information please check out the NetSafe web site www.netsafe.org.nz

God bless

CONGRATULATIONS TO BRIANNA RICHARDSON of 11BT who will be formally presented the Grand Prior Award from the Priory in New Zealand of the Most Venerable Order of the Hospital of St John of Jerusalem. This is the highest award a St John Cadet can attain and takes great dedication, commitment and motivation to achieve.

Brianna started St John in 2009 and has completed 12 Gold level badges. Brianna's wire woven badge and certificate will be presented by His Excellency The Honourable Sir Jerry Mateparae at a private St John audience at Government House in Wellington on Saturday the 15th of August 2015.

JPC STUDENTS TAKE OUT TEAM SECTION IN ROTORUA MOUNTAIN BIKE EVENT

CONGRATULATIONS TO Year 11 students Gabriel Crean, Caleb Marriner and Adam Schweizer, who took out the three person team's section of the Descend Rotorua "Dawn to Dusk" event at the Skyline MTB Park on the 25th of July. The event attracted over 140 entries and competitors were asked to descend a variety of the Skyline Downhills tracks as many times as they could from 9.00am to 4.00pm. The boys completed 21 laps and rode very well all day to emerge narrow winners of their section.

CONGRATULATIONS TO Oneedin Steiner & Mathew Veitch (Yr 7) who made the Central Bay of Plenty Rugby Under 11 Ellis Shield Tournament Team. They represent the Bay in Whakatane at the end of August. Well done to both of them.

JPC STUDENT RECEIVES SWIM TEACHER QUALIFICATION

Congratulations to Year 12 student, Emily Paalvast, who is the first of 18 Gateway students in Rotorua to complete a Swimming New Zealand Assistant Swim Teacher Award. Emily took part in the one day course in March this year and has now completed all of her post course requirements to be awarded the qualification and 20 Level 3 NCEA credits. [Read more.](#)

NZQA FEES – FINANCIAL ASSISTANCE

The purpose of financial assistance is to ensure that fees are not a barrier to participation in qualifications for students in low-to-middle income families. Each year the government provides limited funding for eligible students enrolled in New Zealand secondary schools who are entering for assessment against standards on the New Zealand Qualifications Framework (NZQF) and for New Zealand Scholarship.

International students are not eligible for financial assistance.

To be eligible for financial assistance, the applicant (normally the parent or guardian of the candidate) must be the fee-payer and must apply under one of the following application types:

- **Benefit applications** – this includes those receiving a Work and Income or Study Link benefit
- **Income-based applications** – this includes those that have a joint family[1] income that would entitle the applicant to receive a Community Services Card
- **Multiple candidate applications** – this includes fee-payers with two or more children who are candidates where the total fees to pay would otherwise be more than the \$200 multiple candidate maximum.

Financial Assistance fees schedule 2015

Number of candidates fee-payer is paying for	Fee-payer is eligible for beneficiary or income-based assistance	Fee-payer is not eligible for beneficiary or income-based assistance
One child who is a candidate	\$20.00	Full fees (\$76.70 for NZQF and 3 Scholarship subjects)
Two or more children who are candidates	A maximum of \$30.00 per family	A maximum of \$200.00 per fee-payer[2]

Application form

The application form for financial assistance and information regarding financial assistance is available from **Mrs Deb Lepper** (Ph: 347 8795 ext 8845 or deb.lepper@jpc.school.nz) at school or on the [NZQA website](#).

The [community services card income thresholds](#) are available on the Work and Income website.

Fundraiser: CAR SEAT COVERS

I am Sophie Gallon and I am selling car seat covers to fundraise for my trip to Cancun, Mexico in October to compete in the World Wakeboarding Championships this is a once in a lifetime opportunity and I need to fundraise because it will be expensive.

The car seat cover fits in all cars the photos of it are in mum's territory and smaller sedan, the Nylon fabric does not rip and you just have to cut where the seatbelts go. The elastic holds it up around the head rests.

When you don't need it, it folds in to its own pocket for easy storage in the car until next time. I have been kindly donated these to sell, \$20 each and \$15 goes towards my training and flights. I think you all need 1 or maybe 2!!

They are proving popular with my brother Jack's ruby team! Anyone interested please let my mum know on 0272497041 Or Email: prue@pruemcguirelaw.co.nz

FROM THE CAREERS OFFICE

THE DEFENCE RECRUITING ORGANISATION has invited the Careers Office to nominate five female Candidates to attend the Women in Defence Experience over the period 27 Sept - 30 September 2015.

The aim of the Women in Defence Experience is to provide a three day experience of the roles, expectations and lifestyle of our Officers, Sailors, Soldiers, Airmen and women of Defence, through quality training and information to motivated students who wish to pursue a career with the New Zealand Defence Force (NZDF).

The Women in Defence Experience is designed to challenge students through a wide variety of unfamiliar situations and team-building activities. Physical fitness activities will be conducted throughout the three days, with early morning exercises, confidence building, and social interaction with fellow students and Defence Force personnel.

The Women in Defence Experience will be conducted at the Tamaki Leadership Centre, WHANGAPARAOA, visiting RNZAF (Whenuapai) and HMNZS PHILOMEL (Devonport). The Experience will occur over the period 27 September - 30 September 2015 with 60 students chosen from around the country. The Experience will showcase selected trades of each of the services - Navy, Army and Air Force, and the lifestyle and work environment of a Serviceperson.

If you wish to nominate students for the Women in Defence Experience, we ask that you conduct an assessment of their suitability to attend using the Careers Advisors Candidate Assessment criteria below. We request that schools forward no more than five applicants, also, if your students have attended a previous Defence Careers Experience, we ask that they are not nominated again, to give others the opportunity.

Please note: To save embarrassment, we ask that the students are motivated and relatively fit, as they will be expected to participate in a range of physical activities.

Applications close 27 August 2015 at 12 pm.

Applicants will be assessed on their leadership potential and will receive a certificate of completion and a report.

Defence Careers will cover accommodation, transport (for those outside Auckland) and meal costs. We ask that all participants fully involve themselves in all activities and be physically prepared (**carrying no injuries**) for the programme. Participants will be challenged, so a high standard of physical fitness is required. Due to security restrictions all applicants must be NZ Citizens or Permanent Residents.

Applications can be submitted at this link [here](#). Please read the [Terms and Conditions](#).

Important:

All applicants must be nominated by the Career Advisors will be advised of their selection via email. Some reserves will also be nominated. It is important that candidates regularly check their email addresses and that they print carefully. Make contact with the Careers Office if you wish to be nominated.

Starship Mobile Phone Schools Campaign

Three Good Reasons to Support This Campaign!

- Phones collected help raise funds to keep the Starship National Air Ambulance Service flying.
- Phones collected are counted towards our schools chosen rewards from the Starship Mobile Phone Schools Campaign i.e. cameras, sports packs, i-pads and book vouchers.
- Campaign helps to ensure NZ landfills are free of an array of hazardous toxic substances.

In just five years the Starship Mobile Phone Appeal has raised close to two and half million dollars to keep the Starship National Air Ambulance Service flying. Schools have participated by collecting unwanted mobile phones and swapping them for a wide range of rewards whilst at the same time raising funds for this worthy cause.

The campaign works like this: Most of us have old mobile phones lying around at home somewhere. We ask that each family in our school come on board and donate any unwanted old mobile phones.

Not only does every phone count towards our school's preferred reward but they also help fund the Starship National Air Ambulance whilst also serving as a valuable recycling initiative.

Please drop phones in the collection box at the student counter.
