A WEEKLY NEWSLETTER FOR THE JOHN PAUL COLLEGE COMMUNITY
Term 3, Issue 25 10th August 2015

Ma te pono Me te aroha – Through Faith and Love
2015 School Theme : 'Per Ardua Ad Astra – Through Adversity To The Stars'

Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings.

My sincere thanks to the students and JPC community for the generous donations to support the Edwards/Hudson family, following their house fire. \$4000 was raised on last week's mufti day.

ENROLMENTS FOR 2016

I am pleased to advise that John Paul College will have a very full roll next year. I have been impressed, once again, by the calibre of students seeking a place at the College.

The priority for families wanting a solid, high quality, Christian education in a safe learning environment, where academic excellence and extra-curricular achievement is promoted.

Please be advised that applications for 2016 have now closed and any received from now will be placed on our waiting list pending available places at the end of the year.

Because of the numbers on our waiting list, please advise the school as soon as possible if your child will not be attending John Paul College next year.

SCHOOL FEES

Thank you to all parents and caregivers who responded positively to my letter to pay overdue school fees. Your contribution makes a significant difference to providing first class facilities and resources to students attending John Paul College.

SCHOOL FEES & ATTENDANCE DUES

It is important to note that there are two distinct charges to parents whose children attend John Paul College. Attendance dues are charged by the Hamilton Diocese, largely for buildings, while school fees contribute to resources and running costs of the school.

The Hamilton Diocese have spent well over \$10million on buildings for JPC over the last decade, including the new technology block, costing \$3.3million, which has been greatly appreciated by staff and students.

God bless

Patrick Walsh - Principal

2015 BUILDING LEVY

In the last few years your Build Levy has contributed to the recently opened Bishop Denis Browne Centre. This building offers modern learning environments encompassing Metalwork, Woodwork, Graphics, Art and Photography. Your contribution this year will specifically go towards the proposed Performing Arts Centre at the McKillop Campus.

The Build Levy is a donation and qualifies for a tax credit. We are happy to provide a donation certificate on request. If you are making your payment online please enter Build as a reference.

**NZQA, SCHOLARSHIP & CAMBRIDGE FEES ARE DUE FOR PAYMENT
AT THE ACCOUNTS OFFICE BY 28th AUGUST**

NZQA FEES – FINANCIAL ASSISTANCE

The purpose of financial assistance is to ensure that fees are not a barrier to participation in qualifications for students in low-to-middle income families. Each year the government provides limited funding for eligible students enrolled in New Zealand secondary schools who are entering for assessment against standards on the New Zealand Qualifications Framework (NZQF) and for New Zealand Scholarship.

International students are not eligible for financial assistance.

To be eligible for financial assistance, the applicant (normally the parent or guardian of the candidate) must be the fee-payer and must apply under one of the following application types:

- **Benefit applications** – this includes those receiving a Work and Income or Study Link benefit
- **Income-based applications** – this includes those that have a joint family[1] income that would entitle the applicant to receive a Community Services Card
- **Multiple candidate applications** – this includes fee-payers with two or more children who are candidates where the total fees to pay would otherwise be more than the \$200 multiple candidate maximum.

Financial Assistance fees schedule 2015

Number of candidates fee-payer is paying for	Fee-payer is eligible for beneficiary or income-based assistance	Fee-payer is not eligible for beneficiary or income-based assistance
One child who is a candidate	\$20.00	Full fees (\$76.70 for NZQF and 3 Scholarship subjects)
Two or more children who are candidates	A maximum of \$30.00 per family	A maximum of \$200.00 per fee-payer[2]

Application form

The application form for financial assistance and information regarding financial assistance is available from **Mrs Deb Lepper** (Ph: 347 8795 ext 8845 or deb.lepper@jpc.school.nz) at school or on the [NZQA website](#).

The [community services card income thresholds](#) are available on the Work and Income website.

Application forms need to be returned to school (Mrs Deb Lepper) for processing by: **Friday 28th August**

RUGBY REPORT JPC

Rugby Game: Year 13 XV vs Possible JPC 1st XV

For moving forward for next year the Year 13 Boys will play a game vs a possible First XV for 2016 3.30pm kick off this Friday 14th August!

This is your chance to watch one last game for these boys in the mighty red and black jersey. There will be a BBQ afterwards to celebrate the boys time at the college. This will also be an opportunity for parents to lend a hand moving towards next year and to discuss the Aussie Tour.

WE WOULD LOVE TO SEE ALL PARENTS THERE!

Interested in Coaching Rugby:

Next year at John Paul College we require coaches for rugby and if you are an ex old-boy, parent, caregiver, uncle whatever and would like to add some value to these boys lives please come down to the match this Friday and express your interest to the TIC of Rugby Mr Hounsell

Etim.hounsell@jpc.school.nz

Teams for 2016: U14, U15, 2nd XV, 1st XV

AIMS SEVENS RUGBY:

To all JPC parents

We desperately need drivers and managers/coaches for the Girls and Boys sevens rugby teams. Girls team has currently one student coach but require a driver/manager. The boys team needs both!

If you can help please contact TIC Rugby Mr Hounsell tim.hounsell@jpc.school.nz

KIA ORA TĀTOU FROM THE COUNSELLORS.

The term seems to be flying by and senior preliminary exams are almost upon us, starting next Wednesday (19th August). While most students are aware of the importance of these exams, for some, procrastination makes getting underway with exam preparation very difficult. The following information sourced from www.cci.health.wa.gov.au might be helpful in overcoming procrastination.

Procrastination is a common part of human behaviour. Often people mistake procrastination for “laziness”. In everyday language people use definitions like, “putting off”, “postponing”, “delaying”, “deferring”, and “leaving to the last minute”. While procrastination is quite common, it can become problematic if it is getting in the way of our goals and hopes for achievement and progress. Overcoming procrastination in practical ways involves knowing what needs to be done, how to do it and when to do it.

What Do I Need To Do?

- Write a ‘To Do’ list of tasks and goals you need to work on. This could be a list for the day, the week, the month, or longer, depending on what makes most sense for your circumstances;
- then prioritise the list of tasks, numbering them from most important to least important;
- then grade each task, that is, break the task into all the small steps or ‘chunks’ that are involved in achieving the task; and
- finally, accurately estimate how much time each step of each task or goal will take.

How Can I Do It?

Worst-First: knock out the worst task first, so all other tasks after that are easy by comparison.

Using Momentum: start doing a task that you like and that energises you, and then without a break quickly switch to a task that you have been putting off.

Just 5-Minutes: plan to spend just 5 minutes on the task. This is such a small amount of time, so you will feel you can tolerate just 5 minutes. At the end of the 5 minutes, reassess and see if you can spend just another 5 minutes on the task, and so on.

Set Time Limits: set a specific amount of time to work on a task (e.g., 30 minutes), and stick to just that, rather than extending things even if you feel you can.

Prime Place: be aware of what types of environments you get more done in, and what types of environments have distractions that make you more likely to procrastinate. Isolate yourself if necessary to minimise social and other distractions.

Visualise: use imagery to clearly visualise the task being successfully completed in your mind, and use the momentum from the visualisation to get going on the task in real life.

Plan Rewards: reward yourself after something has been achieved or as a well earned break from a task. The more you reward yourself for small achievements, the less you will feel like you are missing out or being deprived, hence you will procrastinate less.

When Can I Do It?

To manage your time availability, so that you know when you can do your tasks and goals, use a timetable to schedule your week.

Best wishes to all our senior students in side-stepping procrastination in their preparation for preliminary exams.

Na mihi nui kia koe,

Nancy Macmillan and Neil Carter.

INTERNATIONAL LANGUAGES

DELFL Examinations

DELFL Examinations (French International Language Exams). This year, for the second time, John Paul College will be an examination centre for this international qualification. We will be running four levels: A1 (Year 10); A2 (Year 11); B1 (Year 12); B2 (Year 13). This is a good preparation for NCEA examinations at the end of the year as well as giving Year 10 students experience in sitting a French examination in Listening, Speaking, Reading and Writing. Students who successfully sit B2 in Year 13 do not have to sit a language test to enter a French university. The examinations will take place at school on Saturday, 17th October.

Students can pick up forms and leaflets from M9.

French Exchange

Good luck to Zara Mortimer who will shortly be leaving for France to spend ten months on an exchange, organized by AFS. Zara will be living with a French family and attending school there. This is a great opportunity for students to learn the language of the country and immerse themselves in the culture.

2016 CHINA TRIP MEETING

The Year 13 Business Studies class will be visiting China next April. There is a business component to the trip, as well as plenty of opportunities to experience the sights, smells and sounds of China. We visit some of the major attractions in Beijing such as the Great Wall of China, Tiananmen Square and the Forbidden City before travelling to the bright lights of Shanghai. It is in Shanghai that we meet with leading Kiwi businesspeople who live and work in China and who share their business knowledge with the students.

If you would like to know more, please attend the first parent meeting on Monday 17th in RSC1 at 5.30pm to register your interest.

HANDS-ON OTAGO 2016 SUMMER SCHOOL – MAORI AND PASIFIKA SCHOLARSHIPS

The goal of Hands-On Otago is to demonstrate some of the activities that scientists are involved in and to encourage talented young New Zealanders to consider Science as a career. For the first time this year, this opportunity will be extended to students who wish to explore the possibilities in Humanities and Business, exposing them to current research and activities. Students can opt to experience any of the following subjects: Anatomy, Anthropology, Archaeology, Biochemistry, Chemistry, Computer Science, Education, Food Science, Genetics, Geography, Geology, History, Immunology, Information Science, Law, Marine Science, Marketing, Microbiology, Nanochemistry, Oceanography, Performing Arts, Pharmacology, Pharmacy and Philosophy, Physical Education, Physics, Physiology, Politics, Psychology, Tourism and Zoology.

Hands-On Otago will be held at the University of Otago, Dunedin, from 17 to 22 January 2016. It is the kind of opportunity normally only available to graduate students. To qualify for the programme, students must be entering Year 12 or Year 13 in 2016. Students must possess strong motivation and the potential to excel.

Applicants are required to write a page to support their application, which should include any information they feel is relevant and important. There are fully-funded scholarships available to Maori and Pasifika students.

Any interest, please visit www.otago.ac.nz/hands-on-at-otago or see Ms Ludascher in the Science Office.

UNIVERSITY OF OTAGO - HANDS-ON AT OTAGO 2016 – NGĀ MAHI-A-RINGA PŪTAIAO SCHOLARSHIPS - YEAR 12 AND 13

Māori Students - Jan 2016 The University of Otago Schools' Liaison Office, in conjunction with the Division of Sciences, offers a number of Ngā Mahi-a-Ringa Pūtaiao Scholarships to students of Māori descent, who will be entering Year 12 or 13, in 2016. These fully funded scholarships provide a wonderful opportunity for Māori student to participate in the weeklong Hands-On at Otago programme, in Dunedin. The successful applicants will travel to Dunedin from 17-22 January 2016, to experience a week of serious fun! The aim of the scholarship is to inspire and motivate young Māori students to develop their knowledge, skills and passion for science.

All Māori students must complete both a **Scholarship Application Form** (*indicating that they are applying for the Ngā Mahi-a-Ringa Pūtaiao scholarship*), and they must also complete, attach and submit a **Hands-On at Otago Enrolment Form**.

Hands-On at Otago Enrolment Form: <http://www.otago.ac.nz/hands-on-at-otago/registration/otago117021.pdf>

Fundraiser: CAR SEAT COVERS

I am Sophie Gallon and I am selling car seat covers to fundraise for my trip to Cancun, Mexico in October to compete in the World Wakeboarding Championships this is a once in a lifetime opportunity and I need to fundraise because it will be expensive.

The car seat cover fits in all cars the photos of it are in mum's territory and smaller sedan, the Nylon fabric does not rip and you just have to cut where the seatbelts go. The elastic holds it up around the head rests.

When you don't need it, it folds in to its own pocket for easy storage in the car until next time. I have been kindly donated these to sell, \$20 each and \$15 goes towards my training and flights. I think you all need 1 or maybe 2!!

Anyone interested please let my mum know on 0272497041 Or Email: prue@pruemcguirelaw.co.nz

Starship Mobile Phone Schools Campaign

Three Good Reasons to Support This Campaign!

- Phones collected help raise funds to keep the Starship National Air Ambulance Service flying.
- Phones collected are counted towards our schools chosen rewards from the Starship Mobile Phone Schools Campaign i.e. cameras, sports packs, i-pads and book vouchers.
- Campaign helps to ensure NZ landfills are free of an array of hazardous toxic substances.

In just five years the Starship Mobile Phone Appeal has raised close to two and half million dollars to keep the Starship National Air Ambulance Service flying. Schools have participated by collecting unwanted mobile phones and swapping them for a wide range of rewards whilst at the same time raising funds for this worthy cause.

The campaign works like this: Most of us have old mobile phones lying around at home somewhere. We ask that each family in our school come on board and donate any unwanted old mobile phones.

Not only does every phone count towards our school's preferred reward but they also help fund the Starship National Air Ambulance whilst also serving as a valuable recycling initiative.

Please drop phones in the collection box at the student counter.
