Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings

SENIOR STUDENTS FAREWELLED

Thank you to all parents and friends of the College who attended our senior academic prizegiving last Thursday evening. It was a wonderful occasion to recognise and celebrate the outstanding achievements of our students. We also farewelled our Year 13 students who have been an excellent cohort and contributed much to the school over seven years. We wish them well on the next stage of their life journey.

NCEA EXAMS UNDERWAY!

The next few weeks will be critical for senior students as they sit external NCEA exams. Please be positive and encouraging of them, ensuring they get sufficient sleep, eat well, check their exam timetable and study timetable.

JUNIOR EXAMS ALSO UNDERWAY - TIME FOR REFLECTION

Your children have commenced their exams today. Once marked, the teachers will be giving students feedback. It is important that you are also part of this process. Please show an interest in their results, celebrate what they did well and discuss areas where they need to improve.

ACTIVITY DAYS & YEAR 8 CAMPS

Teachers are busy organising beach days, activity weeks and camps to ensure your children enjoy the end of the year. Teachers have committed a huge amount of their time in organisation and in delivering these activities.

It is important to recognise that in many other schools, teachers are not prepared to undertake this work. I am grateful that we have such dedicated staff who are prepared to go the extra mile.

SCHOOL LEAVERS

If your son or daughter intends to leave JPC at the end of the year, the school needs to know as soon as possible. We have waiting lists.

God bless

Patrick Walsh - Principal

Senior students are reminded to return their text books and any outstanding library books as they complete that subject's NCEA external examination. Collection boxes are available in the exam room.

WORKCHOICE DAY

Thank you to all the families who have shown their support for our hardworking PTA by supporting Workchoice Day this Friday 13 November 2015.

When your child has earned their money can you please send it to school in a **named envelope** and **hand it in to student reception** as soon as possible?

FROM THE CAREERS OFFICE

For the first time the **NEW ZEALAND GEOTHERMAL WORKSHOP** will be holding a Geothermal Futures Evening for year 12 and 13 pupils from high schools in the surrounding area. This is a free event and focuses on options available for students wishing to pursue a career in the geothermal industry.

The format for the Geothermal Futures Evening is very student focused and includes short introductions from Rosalind Archer, Head of Department of Engineering Science and Director of the Geothermal Institute, Jo Douglas, Director Commercial Initiatives and Trudy Halloran, Assistant Business Development Manager, GNS, where they will provide information on what to study to help them achieve their goal.

There are also fun activities planned such as build your own seismograph and a game simulation on pipe building.

The event is sponsored by Wairakei Resort who will be providing refreshments for students and their parents. More information on this evening can be found on <http://www.geothermalworkshop.co.nz/registration-2/>

It would be great to see you there and please spread the word to friends, colleagues or even your own children!

There are three short courses available at the New Zealand Geothermal Workshop this year. They are filling fast!

You can register at the same time as you register for the Workshop. More specific detail can be found by clicking on the individual course.
