Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings

WORK CHOICE DAY

On behalf of the PTA and College, I extend my sincere thanks to you for last Friday’s Work Choice Day. It also gave staff dedicated quality time to plan for 2016. It is important to note that the professional development for staff is built around the Work Choice Day. Please bring the Work Choice money in as soon as possible. Thank you.

SCHOOL CAMPS AND ACTIVITY WEEK

As we begin Year 8 Camp and Year 10 Activity Week, I am grateful for the support of parents and acknowledge the dedication and commitment of teachers.

I am very mindful of the cost of these experiences to parents but a survey conducted of parents three years ago, fully endorsed their continuation because of the obvious benefits to children. Staff do their best to keep costs to a minimum without compromising the quality of the experience.

IMPORTANT EVENTS FOR THE LAST WEEK OF TERM

Please note the following important events in your diary:

Tuesday	1st	1.00pm	Year 7/8 Co-curricular Prizegiving	Edmund Rice Centre
Wednesday	2nd	10.00am	Junior End of Year Mass	Edmund Rice Centre
Thursday	3rd	1.00pm	Year 9/10 Co-curricular Prizegiving	Edmund Rice Centre
Friday	4th	10.00am	Year 7-10 Prizegiving	Edmund Rice Centre

Parents/ Caregivers are welcome to attend all of these events

LEAVERS FORMS

If you know that your child will not be returning to JPC in 2016, please ensure a Leavers Form is collected, completed and returned to the office by 4th December. We have a waiting list and would appreciate the opportunity to offer places to these students.

God bless

Patrick Walsh - Principal

Congratulations to Aaron Roe, Year 9, who came runner-up in the Parafed BOP pairs Boccia Tournament on the weekend at Pongakawa. Aaron had a great time and he enjoyed participating in sport on an even field.

Boccia is a game of skill and strategy and is a truly inclusive sport in which men and women of all ages and abilities can play together. Similar to lawn bowls and petanque, boccia is a non-contact target sport that is played indoors from a seated position using soft leather balls on a smooth rectangular court and can be played as individuals, in pairs or teams of three

YEAR 7 BEACH EDUCATION

The dates and days for our Year 7 classes to travel to the Omanu Surf Life Saving Club for the above programme are:

Thursday 26th Nov, 7WJ and 7SK

Friday 27th Nov, 7CV and 7JS

Monday 30th Nov, 7SJ and 7CG

The information has been distributed and is required to be returned asap. **We are reliant** on parents/caregivers to provide assistance on the day with transport and adult supervisors of our students.

YEAR 9 ACTIVITY DAY

Tuesday November 24th

8:40am - 3:00pm

Parents welcome to come with us.

Theme: The Amazing Journey.

We will be walking cross country from JPC to the top of Mt Ngongotaha and back.

There will be a number of checkpoints along the way with challenges attached to them.

Students are to wear appropriate mufti clothing with sturdy footwear prepared for this amazing journey across town and up the hill.

Students will need to bring a small day pack with food and drinks and raincoat, and sunblock.

Any concerns let me know.

YEAR 10 ACTIVITY WEEK FUNDRAISER

A fundraiser to help those families who are finding it a challenge to meet the cost of Activity Week this year, will be held at lunchtime on Thursday - a 2nd-hand book sale.

If you have any books, magazines, CDs, DVDs, etc that you no longer want or need, could you please drop them off to Sue Rowles in our front reception area.

I already have some brand new books which you may be interested in purchasing now (good Christmas presents!):

- * 1 copy of 'Minecraft - The complete handbook collection' (4 book set: beginner, construction, combat & redstone) = \$30
- * 2 copies of 'Super fresh juices and smoothies - 100 recipes' = \$20
- * 3 copies of 'Sugar and spice - cookbook for girls' = \$20
- * 8 copies of 'How to talk so teens will listen & listen so teens will talk' (paperback) = \$15

These are all available now at our Accounts office - 'first in, first served.'

I would also like to say a huge thankyou to those families who have already donated some money to help out other students - it is very much appreciated.

YEAR 10 ACTIVITY WEEK is definitely a 'milestone' for JPC students, which they will look back on with very happy memories in years to come.

Thanks again, and if you have any queries about any of this, please feel free to email me back or contact me on 3478795 (ext. 8861). **Terry Hughes – Year 10 Dean** E: terry.hughes@jpc.school.nz

5+ A Day, everyday

Fruit and vegetables contain a range of nutrients and other really valuable elements like fibre, antioxidants and minerals that are good for your health.

We should all aim to eat five or more servings of fruit and vegetables everyday. We've included some ways to encourage under-fives to eat fruit and vegetables.

Healthy, tasty and too good to refuse!

- Grated and shaved fruits and vegetables make fun finger food
- Taste straight from the garden – peas in the pod, lettuce and herbs, tomatoes
- Try fruit pieces dipped in yoghurt and rolled in rice bubbles
- Use cookie cutters to cut fruits and vegetables into different shapes
- Serve fruit in different styles such as smoothies and popsicles
- Offer fruit or vegetable dips
- Make fruit and vegetable faces

Each year in January the **NEW ZEALAND OLYMPIAD IN INFORMATICS ORGANISATION** (<http://nzoi.org.nz>) runs a summer camp for high school students (and a number of teachers) who enjoy programming.

Why?

The primary purpose is to train high school students towards being candidates for New Zealand's team for the International Olympiad in Informatics (<http://ioinformatics.org/>).

During and after camp a number of contests are held for the students to allow them the opportunity to show us their skills. Selected students will be expected to continue training in their own time but with guidance.

Many students also come because they enjoy meeting like-minded students and staff and some of our past students have found Universities willing to let them skip papers, because of their NZOI experience.

When?

9th until 15th of January for Juniors and 9th until 17th of January for others.

Where?

Camp will be held at Victoria University in Wellington with accommodation at Victoria House, students are expected to stay at Victoria House with everyone else. Students will be met at Wellington airport and from that point are supervised at all times.

Technical details

Because the main languages at the IOI are C and C++, the emphasis at camp will be C/C++. There are 3 groups, and we ask students to try to place themselves based on familiarity with languages and algorithms. The junior group is suitable for students (and teachers) who have some programming experience and we will teach C/C++.

Sounds great! What now?

Please visit <http://nzoi.org.nz/interest> to register your interest. This isn't a commitment but simply a show of interest.

Feel free to email us (camp@nzoi.org.nz) any questions that you may have.

Regards,

Andrew (Camp Organiser)

YEAR 10 CAREER EDUCATION

Today Year 10 students listened to four speakers talk about their careers in Civil and Mechanical Engineering, Food & Packaging Technology and Building and Trades Apprenticeships.

The students not only heard about what the job involves but also the subjects taken and what they did to get where they are today. The intention is to get students to start thinking about what is available in the 'world of work' and what might interest them.

Please encourage your son/daughter to start talking to people about their jobs so they becoming aware of what is available, or to browse on the CareersNZ website over the holidays.

DENTAL HEALTH FOR YEARS 9-13

Your child's teeth are really important to look after and keep healthy.

Next year, if your child will be Year 9, the Community Oral Health Service would like to give you the opportunity for your child to continue their free dental health care with the Community Oral Health Service OR a local dentist, who is contracted to offer the free dental service to adolescents.

All Year 8 children will receive a form to take home and complete with an attached list of dentist and dental practices to choose from. Once you and your

child have selected a dentist and returned the completed form, we will inform the dentist who will then follow on with their free dental care from Year 9 to Year 13.

If you have further questions or are unsure, please contact the Rotorua Intermediate Dental Clinic 3471495

FROM THE CAREERS OFFICE

For the first time the **NEW ZEALAND GEOTHERMAL WORKSHOP** will be holding a Geothermal Futures Evening for year 12 and 13 pupils from high schools in the surrounding area. This is a free event and focuses on options available for students wishing to pursue a career in the geothermal industry.

The format for the Geothermal Futures Evening is very student focused and includes short introductions from Rosalind Archer, Head of Department of Engineering Science and Director of the Geothermal Institute, Jo Douglas, Director Commercial Initiatives and Trudy Halloran, Assistant Business Development Manager, GNS, where they will provide information on what to study to help them achieve their goal.

There are also fun activities planned such as build your own seismograph and a game simulation on pipe building.

The event is sponsored by Wairakei Resort who will be providing refreshments for students and their parents. More information on this evening can be found on <http://www.geothermalworkshop.co.nz/registration-2/>

It would be great to see you there and please spread the word to friends, colleagues or even your own children!

There are three short courses available at the New Zealand Geothermal Workshop this year. They are filling fast!

You can register at the same time as you register for the Workshop. More specific detail can be found by clicking on the individual course.

Pre workshop

1 day Basics of Geothermal Technology runs on Tuesday, 17 November at the Wairakei Resort, Taupo

2 day Geophysical Tools runs on Monday, 16 November and Tuesday, 17 November at the Wairakei Resort, Taupo

Post workshop

3 day TOUGHREACT runs on Monday, 23 November, Tuesday, 24 November and Wednesday, 25 November at the University of Auckland
