Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings

JPC PTA ANNUAL GENERAL MEETING: TOMORROW NIGHT 7pm

Any enquires contact Andrea Colby on Colby.clan@xtra.co.nz

MID TERM EXPECTATIONS

As we begin week 6 of Term 1, your child should have:

- (Years 7 & 8) Written up their academic and personal goals in their school diaries
- A clear idea of how they are going to be assessed and when
- Established a homework and study routine

If you have any concerns about the academic and pastoral progress of your child, please don't hesitate to make contact with their teachers or Deans. Check www.jpc.co.nz for contact details.

Interim reports will be issued 20th March and parents will be able to make appointments to see teachers March 24th and 26th – 3.30-6.00pm. (*Further details regarding making appointments will be issued with the reports*)

SCHOOL ATHLETICS

Congratulations to all students who participated in our school athletics last week. Best wishes to the students that have been selected to go to the Mid Island Athletics.

PARENTS ARE REMINDED to drop off and pick up their students outside the campus grounds, not on the driveway in front of the administration building, in the staff carpark, gateways or the bus bay.

Please be considerate to our neighbours, pedestrian students and the buses during peak times by not causing congestion. This is particularly more dangerous when it is raining during peak times.

May I suggest, to avoid a gridlock situation, that you ask your children to walk up one of the adjoining streets to meet you, rather than inconvenience yourself and others with the gridlock at the school gate.

God bless

Patrick Walsh

Principal

A tremendous achievement.

Gabrielle Thurston HoD Drama

Below is the first of three extracts taken from **MESSAGE OF HIS HOLINESS POPE FRANCIS FOR LENT 2015.**

As we enter into the season of lent we can reflect on this message to all people of goodwill.

2. "Where is your brother?" (Gen 4:9) – Parishes and Communities

All that we have been saying about the universal Church must now be applied to the life of our parishes and communities. Do these ecclesial structures enable us to experience being part of one body? A body which receives and shares what God wishes to give? A body which acknowledges and cares for its weakest, poorest and most insignificant members? Or do we take refuge in a universal love that would embrace the whole world, while failing to see the Lazarus sitting before our closed doors (Lk 16:19-31)?

In order to receive what God gives us and to make it bear abundant fruit, we need to press beyond the boundaries of the visible Church in two ways.

In the first place, by uniting ourselves in prayer with the Church in heaven. The prayers of the Church on earth establish a communion of mutual service and goodness which reaches up into the sight of God. Together with the saints who have found their fulfilment in God, we form part of that communion in which indifference is conquered by love. The Church in heaven is not triumphant because she has turned her back on the sufferings of the world and rejoices in splendid isolation. Rather, the saints already joyfully contemplate the fact that, through Jesus' death and resurrection, they have triumphed once and for all over indifference, hardness of heart and hatred. Until this victory of love penetrates the whole world, the saints continue to accompany us on our pilgrim way. Saint Therese of Lisieux, a Doctor of the Church, expressed her conviction that the joy in heaven for the victory of crucified love remains incomplete as long as there is still a single man or woman on earth who suffers and cries out in pain: "I trust fully that I shall not remain idle in heaven; my desire is to continue to work for the Church and for souls" (*Letter 254*, July 14, 1897).

We share in the merits and joy of the saints, even as they share in our struggles and our longing for peace and reconciliation. Their joy in the victory of the Risen Christ gives us strength as we strive to overcome our indifference and hardness of heart.

In the second place, every Christian community is called to go out of itself and to be engaged in the life of the greater society of which it is a part, especially with the poor and those who are far away. The Church is missionary by her very nature; she is not self-enclosed but sent out to every nation and people. Her mission is to bear patient witness to the One who desires to draw all creation and every man and woman to the Father. Her mission is to bring to all a love which cannot remain silent. The Church follows Jesus Christ along the paths that lead to every man and woman, to the very ends of the earth (cf. *Acts 1:8*). In each of our neighbours, then, we must see a brother or sister for whom Christ died and rose again. What we ourselves have received, we have received for them as well. Similarly, all that our brothers and sisters possess is a gift for the Church and for all humanity.

Dear brothers and sisters, how greatly I desire that all those places where the Church is present, especially our parishes and our communities, may become islands of mercy in the midst of the sea of indifference!

Mrs K Bloomfield – DRS

E: Karen.bloomfield@jpc.school.nz

Caritas Aotearoa New Zealand is the [New Zealand Catholic Bishops'](#) agency for Social Justice. During Lent all Catholic Schools in New Zealand are encouraged to give generously to Caritas. This year Catholic Schools in NZ are taking part in the Caritas Challenge. At John Paul College we are having a day of non-stop basketball activities. Each student is invited to participate by raising sponsorship of \$10.00

This money raised will be used by Caritas to help those in the Philippines devastated by the recent natural disasters.

Last year in our Walk for Water the JPC community generously raised \$8900, which was sent to the Solomon Islands, to provide running water in villages.

Each student is invited to take part in the Challenge, and will be given a sponsorship form, if they are taking part.

Thank you for your ongoing support for those most in need.

ICAS COMPETITIONS 2015

WHANAU SUPPORT UPDATE

Tena koutou katoa, after our first whanau support hui for the year, where we discussed our aspirations for our tamariki at JPC, we have started the new year with a rush of activity.

Kapa haka has started with weekday and weekend practices in preparation for the regionals this year and opening the upcoming Principals Conference. We are also taking those kapa haka members committed to weekend practices to the secondary schools "Polyfest" in Auckland 20 March, so they can experience Maori and Pasifika secondary school performances.

Taiaha training is about to start again and we have 3 teams entered in the National Secondary Schools Waka Ama Championships, held at Lake Tikitapu (Blue lake) on the 24th to the 27th of March. This is the 2nd largest secondary school sports event behind the Maadi cup.

6.15am practices twice a week followed by breakfast in the Whare. We have 2 U16 girl crews and 1 U19 boys crew and it has been nearly 10 years since the school was at the nationals so it is great to have this sport back as a part of JPC life.

Finally myself and my son Mikaere represented Te Arawa as kaihoe (paddlers) on the Te Arawa waka taua (war canoe) at the 175th anniversary of the signing of the Treaty of Waitangi. It was great to be a part of the celebrations at Waitangi.

Good luck to all students this year, make the most of all the opportunities that present themselves to you.

Na Eugene Berryman-Kamp - Chairperson, Whanau Support Group.

N Z JUNIOR SWIMMING CHAMPS

Milla Theobald (8CW), qualified in a staggering 11 events at NZ Junior swimming champs which is a huge achievement.

She raced hard but was a little off her best times, she still managed to place 2nd fastest 11 year old in the 400 free, 5th fastest 11 year old in the 200 butterfly, 10th in the 200 free and 15th in the 100 butterfly these were her top results against the fastest NZ swimmers. Well Done Milla.

HPV IMMUNISATION AT SCHOOL

There has been a surprisingly low number of consents for HPV immunisation at JPC this year. Human Papilloma Virus causes infections that may lead on to some types of cancers.

This is a very successful and safe vaccine and it is on the National Immunisation Schedule for Children. It is given to girls in Year 8. There is a better immune response if it is given at a young age (it is licensed from age 9 yrs in NZ) and thus better immunity. It is also desirable that it is given prior to exposure to the virus. This is a very common virus that 4 out of 5 of us will be exposed to in our lives.

As the vaccine is given in 3 doses spread over 6 months, many families find it convenient to complete this at school with the Public Health Nurses.

Contact us on 3437747 or your medical centre for more information.

Education video shown to the students is available online at:

JPC TRACK AND FIELD 2015

The weather played its part and a great day of competition was happening on the track, with some very close races. Some field events were adjusting to new weights set down by NZ Athletics Association.

An awesome day for the participants! Closely contested 100m finals.

Paige Satchell broke the Senior Girls Long Jump record (Katie Sparrow's 2009 record) and the Senior Girls 400m record (Stacey Brannigan 2002 record).

Melkorka Leggett-Hilmarsdottir the Intermediate Girls javelin record.

Dilan Nanayakkara, the Intermediate Boys 400m record (Sam Finnerty's 1995 record)

Saskia Downie equalled the Junior Girls' High Jump record.

Zarius Easthope- Stevens had a great throw for Senior Boys shot put 11.47 meters.

Very disappointing turn out by Year 12 and 13 girls, (track and field must not be cool). This supports a recent survey about girls and sport; it's on the decline especially at this age level.

Just about every event had a full complement of Boys competing.

Year 7 & 8 students competed in the 1500m and 800m, alongside the Year 9 to 13.

Year 7 Girls 800m: 1st **Hannah Gapes** new record 2:40.22. (Hana Stubbing 2012)
