All students accepted on enrolment, a willingness to support the school's Catholic character, including full participation in Religious Education classes, attending Masses, liturgies and retreats.

It is a privilege to receive an education in the Catholic and La Sallian tradition. Please emphasize at home with your children, your support of the school's Catholic character.

INTERIM REPORTS

Interim reports will be issued shortly and parents will be able to make appointments to see teachers. Do not hesitate to contact the school if you are not happy with your child's progress. Email is the best way to contact staff, as follows, firstname.surname@jpc.school.nz

JPC EMAILS TO PARENTS

We endeavour to email as much information to parents as possible to keep you informed about events, outstanding permission slips, reports, invoices etc. It is therefore in your best interests to notify the school should have a change of email address or provider to stay informed.

The Community Newsletter is emailed through the student database every Monday afternoon. The system selects every child which results in some parents receiving more than one copy; unfortunately the system cannot decipher similar email double ups, and we apologise for any inconvenience caused!

Below is the last of three extracts taken from **MESSAGE OF HIS HOLINESS POPE FRANCIS FOR LENT 2015.**

As we enter the third week of lent we have the third and final instalment from Pope Francis' Lenten message

3. "Make your hearts firm!" (James 5:8) – Individual Christians

As individuals too, we have are tempted by indifference. Flooded with news reports and troubling images of human suffering, we often feel our complete inability to help. What can we do to avoid being caught up in this spiral of distress and powerlessness?

First, we can pray in communion with the Church on earth and in heaven. Let us not underestimate the power of so many voices united in prayer! The *24 Hours for the Lord* initiative, which I hope will be observed on 13-14 March throughout the Church, also at the diocesan level, is meant to be a sign of this need for prayer.

Second, we can help by acts of charity, reaching out to both those near and far through the Church's many charitable organizations. Lent is a favourable time for showing this concern for others by small yet concrete signs of our belonging to the one human family.

Third, the suffering of others is a call to conversion, since their need reminds me of the uncertainty of my own life and my dependence on God and my brothers and sisters. If we humbly implore God's grace and accept our own limitations, we will trust in the infinite possibilities which God's love holds out to us. We will also be able to resist the diabolical temptation of thinking that by our own efforts we can save the world and ourselves.

As a way of overcoming indifference and our pretensions to self-sufficiency, I would invite everyone to live this Lent as an opportunity for engaging in what Benedict XVI called a formation of the heart (cf. *Deus Caritas Est*, 31). A merciful heart does not mean a weak heart. Anyone who wishes to be merciful must have a strong and steadfast heart, closed to the tempter but open to God. A heart which lets itself be pierced by the Spirit so as to bring love along the roads that lead to our brothers and sisters. And, ultimately, a poor heart, one which realizes its own poverty and gives itself freely for others.

During this Lent, then, brothers and sisters, let us all ask the Lord: "*Fac cor nostrum secundum cor tuum*": *Make our hearts like yours* (Litany of the Sacred Heart of Jesus). In this way we will receive a heart which is firm and merciful, attentive and generous, a heart which is not closed, indifferent or prey to the globalization of indifference.

It is my prayerful hope that this Lent will prove spiritually fruitful for each believer and every ecclesial community. I ask all of you to pray for me. May the Lord bless you and Our Lady keep you.

IF YOUR CHILD IS AWAY SICK, we need to know the reason so it can be recorded on our electronic roll.

If it is an illness it would be helpful to know the type of illness especially if it is contagious e.g. mumps, chickenpox, tummy bug. Strep throat, glandular fever etc, so we can monitor the health of all our students.

AUTUMN HEALTH TIPS

In the Autumn, it is wise to prepare yourself for the biggest illness and injury season of the year - Winter.

Your lungs are vulnerable to cold and damp climates, which can set the scene for colds and infections. Try these basic preventive measures to keep yourself healthy:

Get plenty of rest - A good night's sleep will help keep your resistance up.

Exercise Regularly - Exercise keeps your heart and body strong, giving you the reserve strength to fight off illness.

Wash your hands - Using soap and water is still one of the best ways to fight the spread of germs.

Avoid sharing certain items - Particularly avoid sharing items with moisture on them i.e., drinking glasses and towels.

A reminder to all families with asthmatic or respiratory-problem students; with winter soon arriving, you could be eligible for a FREE Flu Vaccine to give protection against some flu strains. Contact your GP or GP's nurse to discuss your eligibility.

Buccaline Burna, available from the chemist, is a good generic preparation to support students' immune systems against winter colds.

Please consider the options and encourage a healthy dietary intake of fresh fruit and vegetables and water intake to help offset the winter woes.

If your child is sick, please keep him/her at home to help prevent spreading the viruses etc.

ROWING

Meg Aitchison, Connor Broughton and Andre Le Lievre represented the Rotorua Rowing Club at the New Zealand Club Champs in Twizel from 17-22 February.

They had a very successful regatta. Meg won a silver medal in the Senior Women's 8 and Connor and Andre won silver medals in the Men's Club Pair.

17 rowers and coxswains represented John Paul College at the North Island Secondary Schools Champs at Karapiro from 6-8 March. The weather led to some delays in the rowing but the rowers coped very well with this and they were great ambassadors for JPC.

We achieved very good results with A Finals being reached in four events and C Finals in three events. An A Final means you are in the top 8 crews for that event and a C Final is the top 24 crews.

Special congratulations to Andre le Lievre and Connor Broughton who won a silver medal in the Boys Under 18 coxless pair event and to Connor Broughton who won a silver medal in the Boys Under 18 Single Sculls event.

Thank you to all the coaches and parents who made it possible for the rowers to attend the regattas and to compete so successfully.

Good luck to all the rowers for the New Zealand Secondary Schools Championship Regatta (MAADI) which is being rowed at Karapiro from 23-29 March.
