*Ma te pono Me te aroha – Through Faith and Love*

**Dear Parents/ Caregivers**

## **TERM 2 CRITICAL FOR SENIORS**

I will be impressing upon the senior school (Years 11-13) that Term 2, is a critical time to focus on assessments, attending all classes and ploughing through the syllabus.

Please support the college by:

-  Ensuring that they do a minimum of 2-3 hours of school work per night and 4-5 hours in the weekend;
-  Check they are not too distracted from school work by part-time employment, their social life or technology pastimes;
-  Checking their assessment schedule;
-  Liaising with their teachers if you have any concerns.

At this stage of the year, students in the senior school are receiving feedback on how many credits they have achieved and at what level. This will let them know if they are on target to achieve level 1, 2 or 3.

Please ask your children to share this information with you. They can also access the NZQA website to check on their progress. If you have any concerns contact their teachers. Senior exams commence Monday May 25<sup>th</sup>

## **SENIOR ASSESSMENT WEEK: 30<sup>th</sup> MAY – 3<sup>rd</sup> JUNE**

During Senior Assessment Week, exams will take place within the normal timetabled classes. No extra-curricular activities will be timetabled and it is the expectation that all students will be in attendance. These exams will give students the real benefits of experiencing exam conditions. It helps them refocus on what they have learned, gain qualitative feedback from teachers and in many cases, gain valuable credits and complete assignments.

Please encourage your children to take them seriously, given the benefits and the fact they are compulsory.

## **PARENTAL EXPECTATION OF A QUALITY EDUCATION**

There is a significant gap between running a modern secondary school and what the government provides through its operational grant. Your school fees ensure that John Paul College provides the highest quality education that you have come to expect. Please ensure your school fees are paid as soon as possible. Thank you to those parents who have made payment already, or have arranged an automatic payment.

Please make contact with the Fees Office to receive an automatic payment; [schoolfees@jpc.school.nz](mailto:schoolfees@jpc.school.nz)

## **WINTER UNIFORM**

The College takes considerable pride in its uniform. We appreciate parents/caregivers ensuring their child is wearing the correct winter uniform. The Uniform Shop is open Mondays, Wednesdays and Fridays, from 8a.m to 4p.m during term time.

## **QUALITY HOME STAYS SOUGHT**

With the expansion of our International Student Department, we are seeking good quality homes to place students. This can be a culturally enriching experience for a family. The weekly board rate is \$230. If you are interested please contact Jacqui Hesketh on 3478 795 extn 8863 or email [homestay@jpc.school.nz](mailto:homestay@jpc.school.nz)

### FAITH IN ACTION ENVIRONMENTAL STUDIES

Last term, the Faith in Action students went to Great West Road to visit the headwaters which flow into the Utuhina Stream. Students collected water at various sections of the stream to test the quality of the water.

After being at Great West Road we came back to JPC to take water samples from the section of the stream that borders our school.

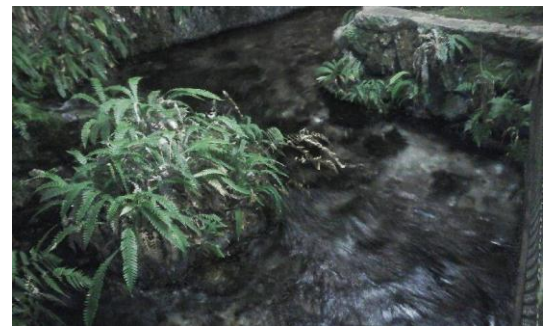

We then went to Ohinemutu to visit the local residents and learned about the history of the area.

Thanks to Monica Quirke, and staff from the Rotorua Lakes Council who accompanied us on this trip and who support our environmental initiatives at JPC.

Congratulations to the JPC Environmental Team who won the BOP Schools Environmental Challenge. A fabulous effort!!

## Kia ora tātou from the Counsellors

As the new term gets underway, it is timely to revisit one of our key focus areas this year – cyber-safety. Earlier in term one we set up an email address specifically for students and parents of the school to forward any on-line messaging which is bullying or objectionable in nature: [itsnotok@jpc.school.nz](mailto:itsnotok@jpc.school.nz) Our aim in creating this address was to actively discourage on-line bullying and to keep our students cyber-safe. Since launching this site we have noticed a marked reduction in the incidence of cyber-bullying incidents, which is really pleasing.

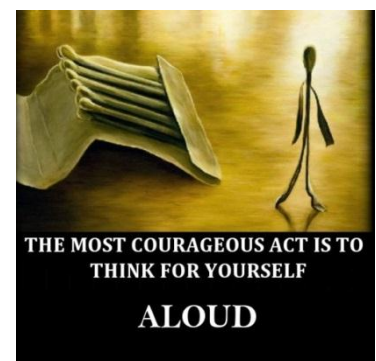

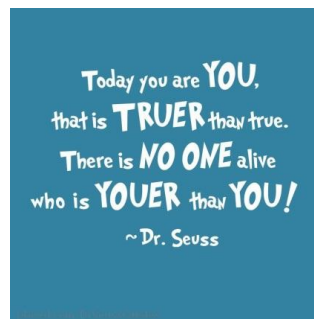

When cyber (and other) bullying has taken place, it has been apparent that there is a common theme; children are singled out for being different in some way. Kids can be very quick to pick up on differences in others' appearance, behaviour, abilities, ethnicity, gender identity and so on, and can target these differences as an opportunity for harassment. A big part of this is tied in with the importance that kids often attach to "fitting in" with their peers. For many kids there is security to be had within conformity and sameness. The flip side of this coin is the harm caused to individuals who are harassed for standing out in some way. Even for those who are not bullied, fear of being judged can be silencing and lead to anxiety. The 24/7 nature of social media has heightened this worry for many young people. In helping our children and young people to develop resilience and values of tolerance and respect for both self and others, we can challenge their conformist thinking and communicate the message that difference is good, that it's OK to voice an alternative point of view and that everyone deserves to be respected for who they are.

The following quotes can be great conversation starters...

Finally, just advance notice that **PINK SHIRT DAY** is Friday May 20<sup>th</sup>. On this day students can opt to wear a pink shirt to stand in support of the anti-bullying message.

Pink wrist bands will also be available for sale and may be worn throughout the week. More information will follow in the next newsletter.

## JPC RUGBY

This is the week it all starts for JPC Rugby, with all of our teams to play their first games this weekend. Both the 1st XV and U15's play away and our U14's have a game at home. Come along and support them at JPC on Saturday.

1 <sup>st</sup> XV	7/05/2016	TRIDENT	V	JPC	NOON
U15		TAUHARA	V	JPC	10.30
U14		JPC	V	OTUMOETAI	10.30

The preseason games have had mixed results over the 3 teams and have provided an indication of what level we will need to play at to be competitive. The 1st XV had its last hit out last Saturday and scored a comprehensive win over a WHHS 2nd XV.

The fundraiser for the firewood has finished and we would like to thank all of those who supported it. We are currently running a raffle and if you would like any tickets with some amazing prizes, please contact Richard Haigh 021 773444.

**Congratulations to Nathan Gapes** who competed and came first in the 5.5km run as part of the Rotorua Marathon Event at the weekend.

## 'APPLE A DAY' STORY

We know that having a sick child can be pretty stressful, and sometimes downright scary! On average children aged between 6 months and 5 years will get about 6-10 viral illnesses a year. That means, for the children registered with us here at Ranolf St about 8,000 infections a year!

The good news is the vast majority of these infections are minor and children usually come right in about a week. They don't need treatment with antibiotics (which have no effect on viruses), and are rarely so severe that they need hospital treatment.

These infections are more common in the winter months, if your child has older brothers and sisters (bringing home infections from school), or if your child goes to kindy or kohanga reo.

So, what can you do?

- Keep your child away from daycare if they are sick.
- Teach your children good cough hygiene (use tissues, cough into their elbow)
- Teach good hand washing – they should be washing for as long as it takes to sing Happy Birthday to themselves

Here are two useful resources. The first one "*When should I worry*" is a great little leaflet from the NHS. Download it, read it and use if you come to the surgery. <http://www.whenshouldlworry.com> (Remember though that this is an NHS leaflet. Emergency numbers in New Zealand are 111 not 999)

The other, from the Royal Children's Hospital in Melbourne, is a useful explanation of viral illnesses. [http://www.rch.org.au/kidsinfo/fact\\_sheets/Viral\\_illnesses/](http://www.rch.org.au/kidsinfo/fact_sheets/Viral_illnesses/)

And remember:

If you are worried call us. Talk to one of our registered, experienced (mums), practice nurses.

Kind regards

Heather Lang

## FOOTBALL NEWS

Dear Parents/Caregivers,

Junior soccer begins this weekend and as soon as fixtures are published, I will let students know where and when they play.

12<sup>th</sup>/13<sup>th</sup> Grade will be at Puarenga (Soccer) Park, whilst the 14<sup>th</sup>/15<sup>th</sup> Grade teams will play at JPC or at other grounds in the area.

Students will play in their JPC PE shirts, black shorts and JPC socks with red band, so please make sure they have these ready for the weekend.

As there are so many students playing this year, it is a tight logistical operation to ensure we have everything right, so PLEASE LET ME KNOW IF YOUR CHILD HAS DECIDED NOT TO PLAY SOCCER THIS YEAR, as team numbers need to be correct to field a team.

Children should register on Sporting Pulse as normal and a charge for soccer of \$80 will be placed against your account.

We have a wide range of teams this year, and there are likely to be split into appropriate divisions, so please support your children in a sporting manner and help them enjoy the social and exercise benefits of the game as much as the competitive nature.

Thank you to all parents for their support so far and enjoy the season.

# HILLARY CHALLENGE

## **The secondary school battle for first place is intense**

The Genesis Energy Hillary Challenge is undoubtedly the toughest adventure competition for high school students and the battle for first is intense because it is a prestigious and highly coveted title for schools to achieve. Not only does this event require a high level of physical and mental fitness, being a team sport, members need the ability to work together under stress.

Participants qualify for the final by meeting the required criteria during the Hillary Challenge 6 hour Adventure Race events the year before.

## **The 16th annual challenge to find the top Secondary School Outdoor Adventure Team in New Zealand and Australia will take place 8-13 May 2016.**

The 5 day Hillary Challenge is held each year at Hillary Outdoors Tongariro, and is only open to a total of 12 teams, each consisting of 8 students (4 boys/4 Girls) from Year 12 or 13. The teams will be scored on their skill, speed and endurance during a 5-day series of outdoor adventure challenges, including a 2-day rogaine style wilderness expedition and a multisport race on the final day. In true adventure racing tradition, the exact details of all challenges will be kept secret until the event.

### **Schools that have qualified for the 2016 final are;**

- Thames High (Waikato)
- New Plymouth Girls and Boys High (Taranaki)
- Whangarei Girls and Boys High (Northland)
- Trident High (Bay of Plenty)
- Takapuna Grammar (Auckland)
- Taradale High (Hawkes Bay)
- Francis Douglas and Sacred Heart (Taranaki)
- Cambridge High (Waikato)
- Middleton Grange (Christchurch)
- Fiordland College (Te Anau)
- Westlake Girls and Boys High (Auckland)
- John Paul College (Bay of Plenty)

Some of the JPC Dream Team taking on the challenge:

Good luck to these students.

## OUR CONTESTANTS IN THE HILLARY CHALLENGE

Robbie is head boy, a national MTB champ, hockey and rugby rep who loves tramping, outdoors, fishing and eating off the land. He is proud and excited to represent JPC and Rotorua in this competition.

Danielle Cooper "Dani" was a swimmer, and is now a climber, who's taking on the challenge of being an adventure racer. She is mad about sport and the outdoors and can't wait to compete in May.

Adam Schweizer is our "keen biker lad" and enjoys the outdoors as well as milking cows. He is psyched for his first full adventure race.

Jack Elvy "The Fish" is a very keen biker, swimmer and runner. He loves getting stuck in and is thrilled to be a part of the adventure racing team for 2016.

Claire Self OMG what a challenge. Wanted to go back and do another week at Hillary Outdoor Education

Theresa Mclean is a competitive rock climber, mountain Biker and adventure lover. This is the first time she'll be combining her biking, climbing and the little bit of paddling she's done into one adventure race, and she is excited for the challenge!

Also Keegan Pepper and Jayleeca Nicholls-Tau.

## SIR PETER BLAKE YOUTH ENVIRONMENT FORUM

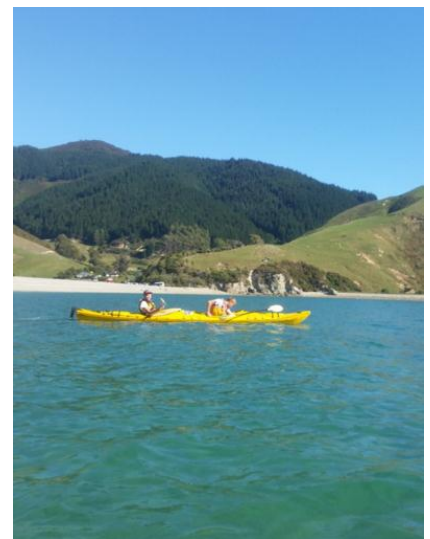

Eamon Walsh, Year 12, won a scholarship to attend the Sir Peter Blake Youth Environment forum which was held between the 16<sup>th</sup> and 22<sup>nd</sup> of April in Nelson.

The forum was aimed at educating young leaders about environmental issues that are currently facing New Zealand. Held annually, the forum is in memory of Sir Peter Blake who was a well-known and celebrated environmentalist. However, this was the first year in which students from Australia and the Pacific Islands attended.

The first three days were spent doing outdoor pursuits, such as diving, kayaking, swimming, tramping, sailing and snorkelling, as well as giving time and support to various community groups in Nelson.

The remaining time of the camp was spent doing workshops with well-established Environment leaders such as the Minister of Environment, Nick Smith, the CEO of the Sir Peter Blake Trust, and various other members from the Ministry of Environment.

The Sir Peter Youth Environment forum taught all the participants how to be environmental leaders and bring about change in our local communities and inspire others to do the same.
