## **RUGBY NEWS**

This weekend saw our Rugby teams play Whakatane, Papamoa and Rotorua Boys High with two wins and a close loss.

**The U14's** travelled to Whakatane and recorded a comprehensive 50 - 7 win.

**The U15's** travelled to Papamoa and had a great win 77 - 5.

**The 1st XV** played Rotorua Boys High U15 Elite at home. This was a great spectacle of rugby and was a game of two halves with RBHS leading 20 - 5 at half time. The 2nd half was all JPC's and they were constantly on attack however some great defence prevented the win.

## **1<sup>ST</sup> XI FOOTBALL – MATCH REPORT JPC VS TRIDENT (0 ALL DRAW)**

The 1st XI continued their National Qualification series last Wednesday evening with an away game against the Trident 1st XI. Despite dominating the game JPC were not able to score the allusive goal that would have been all that was required to break the dead lock in what turned out to be a nil all draw. Hard working midfielder Steffano Riley came close to winning the game with a second half strike hitting the post with the Trident keeper well beaten. Dilan Nanyakkara in his last game in JPC colours thought he has won the game with only minutes to go but his shot also rebounded off the post. The positive for JPC was they secured a vital point with the draw which maintained their 5th place in the top 8 competition with the first four schools to win through to premier National champs.

This week is a massive step up for JPC with an away game to the nationally ranked Hamilton Boys High School 1st XI. Your 1<sup>st</sup> XI would love to see as much support as possible make the trip to Hamilton.

The 1<sup>st</sup> XI management and players would like to wish Dilan well for the future and make a special mention to the Nanayakkara family for supporting JPC football for the past ten odd years. They have been a wonderful family to work with and always the first to transport players and do whatever was required to help their sons play football. Go well Neville and Bernadette.

## WORK CONTINUES ON THE UTUHINA STREAM PROJECT

The Catholic social teaching principle of Stewardship – kaitiakitanga – is about being responsible guardians.

We are kaitiaki - guardians of the earth. Exercising stewardship is caring for the gifts God has given us, including the environment, our own personal talents and other resources.

### Basketball News

Senior Boys A team start the season by winning the pre-season TIP OFF tournament for Division one teams. As part of the preparations for Nationals they compete in the men's division for Rotorua and the B team plays the normal schools competition.

The junior boys have completed grading rounds, with the year 10 team in A grade and Year 9 team in the B grade.

The junior girls are in the B grade. There was some tough competition during grading. They play their 1<sup>st</sup> B-grade game and celebrated a narrow win over Reporoa.

Year 7 & 8 Boys team had a very tough start to the grading rounds, only just making it into A grade.

Recently they competed in an Invitational knock out Tournament, beating Kaitao, Mokoia, Waihi and Seven Day Adventist to progress to the final against Rotorua Intermediate, which was a back to back game, while Rotorua came off a bit of a rest. The boys were valiant in their efforts and were runners- up, this validated their A grade status in the local competition.

Year 7 & 8 girls are in B grade. They also competed in the Invitational Knock out Tournament as part of their development; most of the teams they played were A grade level, so a win was not likely.

# Cupcakes for Cambodia and International Food Festival 2016

This term our main Lasallian fundraiser is to help a small school in the village of Po Thum near the capital of Cambodia, Phnom Penh. The school was opened in 2011 and the De La Salle brothers are not only hoping to educate the individual children, but to help the local community understand the value of literacy, numeracy and education, something we take for granted in New Zealand. The school aims to provide education for 200 students and is continuing to expand, hoping to further develop a small hostel to accommodate young children from rural areas so they can benefit from the educational opportunities.

In order to assist this worthy cause, John Paul College will be holding a cupcake competition and food festival with an international theme on Friday 17<sup>th</sup> June.

On the day itself, cupcake competition entries will be judged with four day passes to Rainbow's End as the prize. This will be complemented by food for sale at an

International Food Festival, comprising of foods from as far-flung places as Malaysia, France and Japan, to name but a few. Already, over thirty senior students have offered to be involved in organising the stalls, with in excess of fifteen different stalls confirmed.

## How can we help?

Students, staff and the wider community can help in a number of ways:

1. Make an entry into the cupcake competition for only \$3 and be in to win the four full day Rainbow's End passes.
2. Make and donate some cupcakes on an international (or any!) theme that can be sold on our cake stall that day.
3. Skip bringing your own lunch for one day and instead bring in some money to buy a variety of the delicious treats on offer on Friday 17<sup>th</sup> June lunchtime at our International Food Festival.

Parents and the wider community are more than welcome to get involved and if anyone is able to provide cupcakes or any further sponsorship we would be glad to hear from you – a second and third prize for the competition would be great.

The festival will be launched at our assembly on Wednesday 15<sup>th</sup> June with an International Flag Parade.

Join us there and help make a difference in the lives of those less fortunate than ourselves.

Mr and Mrs Bloomfield.

For details on these and many more scholarships, visit [www.canterbury.ac.nz/scholarships/](http://www.canterbury.ac.nz/scholarships/).

### **Application Guidelines for First Year Scholarships**

#### **Eligibility criteria**

Students must always check eligibility restrictions, such as gender, age, nationality, indigenous or other special group and only apply if you match the eligibility criteria. If you intend to take a gap year in 2017, note that most scholarships that allow a gap year require you to make an application in your final year of high school.

#### **Referees**

Students referees are very important always make sure they know which scholarships you are applying for. Ensure they know the appropriate information about you that the selection committee will need to know. Referees will submit their references through the online system.

#### **Personal Statements**

Your personal statements are very important; it is your opportunity to 'talk' to the selection committee and it is their opportunity to find out what you have to say about yourself. Your statement can reflect your views and aspirations, can explain the events and people that have been major influences on your life, can describe what drives you, why you have chosen the path you have and what your plans are for the future. One paragraph statements are not ideal.
