## ENROLMENT PROCESS UNDER WAY FOR 2017

Following our successful Open Night, Sue Rowles, our Enrolments Secretary, has begun arranging interviews for next term. If you, or someone you know, would like to have their child at JPC in 2017, please download and complete the enrolment forms from our website [www.jpc.school.nz](http://www.jpc.school.nz) or call into reception to pick up a prospectus. An interview time will be offered once the completed forms are received. Close off date for application is Friday 1<sup>st</sup> July.

## ANZ HOME LOANS SUPPORT JPC

If you are thinking of getting a home loan, then please consider ANZ. For every home loan they grant, you can nominate John Paul College to receive \$400.

Jo Dudson, a parent of the school, and a personal banker at ANZ is happy to discuss with you what ANZ can offer. Her contact details are E: [joanne.dudson@anz.com](mailto:joanne.dudson@anz.com) or phone (07) 349 5313

## ACADEMIC ACHIEVEMENT

The Deans of Years 11, 12 and 13 are working closely with your children to achieve NCEA Levels 1, 2 and 3, University Entrance in Literacy and Numeracy. Please support them by checking that your child has:

- A study timetable in place
- Attended all classes and extra tutorials
- Remained up to date with assignments and course requirements

Please take a moment to ask how many credits they have gained so far towards attaining their Level grade. I know that you and your child will join with me in thanking our teaching staff for providing extra dedicated teaching time to students at risk of not achieving.

## PARENT / TEACHER INTERVIEWS

At the half way mark of the academic school year it is important you take the opportunity to meet with your child's teachers to get an update on progress.

Please book online (*the instructions will be on the reports*), and bring your child with you to the interviews with the teachers. This helps to avoid any misunderstandings and ensures your child is part of the learning conversation.

## AN AMAZING LONGITUDINAL STUDY

Results show that those children who watched the most TV were **three times** more likely to leave school with no qualifications, and with higher cholesterol, and addicted to smoking.

Those who watched the least television were **four times** more likely to go to university, **regardless of IQ!**

The study also showed that the single characteristic of 4 year olds which accurately predicted future success (successful relationships, job satisfaction...) was **self-control**. Watch the marshmallow test.

The good news is that parents can certainly teach this, and so can teachers, and make a huge difference in people's lives. Don't forget to watch this amazing longitudinal study is on TV1, Tuesday, 9.30pm.

God Bless

Patrick Walsh

Principal

## **FORGIVENESS – WHY PRACTICE IT**

Everyone does hurtful things at one time or another. If someone is not forgiving, others feel worried around that person. Without forgiveness, we judge and criticize others instead of giving each other a chance to improve. Forgiveness is the best way to encourage ourselves and others to take responsibility for our actions, to try harder and to change for the better.

### **Signs of Success**

Congratulations! You are practicing Forgiveness when you.....

- Remember that everyone makes mistakes
- Take responsibility for your own mistakes
- Share your feelings without taking revenge
- Stop giving uncaring people the chance to hurt you
- Accept people without judgement or criticism
- Make amends instead of punishing yourself with guilt

**Congratulations to Veronica Chen** (Year 7JS) who recently came runner up at Neil Trail Intermediate Music Scholarship and 2<sup>nd</sup> placing in Intermediate NZ Composer Section, which was held in Taupo.

**Congratulations to Year 7 students Megan Williams, Caitlin Flavell and Daniel Butterworth**

who recently represented NZ in the Junior BMX Test team, competing in Penrith, Australia.

The girls managed a comprehensive win while the boys faced extremely tough competition and narrowly lost.

The team spent a fabulous 10 days in Australia and were billeted with BMX families. It was a fantastic experience for this talented young trio.

**JPC FOOTBALL - 1ST XI UPDATE**

The 1<sup>st</sup> XI's path to National Championship Tournament qualification got a whole lot harder this past week with JPC going down to the Nationally ranked Hamilton Boys High School 1<sup>st</sup> team. JPC made a strong start to the game and were right in the contest at the 20 minute mark. Unfortunately they were not able to maintain the effort with Hamilton punishing JPC for any errors and they raced away to a 0-3 lead at half time. Eventually they were easy winners on the night. Steffano Riley worked tirelessly for his side and was clearly the player of the day with this being his best performance of the year. Daniel Sherman, Andrew Macallister, Nathan Gapes and James Greentree all came off the bench in the second half to gain some valuable experience at this level and can be very proud of the contributions they made.

The positive from the week was JPC's main rivals for the hotly contested 4<sup>th</sup> spot in the top 8 also lost to keep the qualification door slightly open. JPC must now win their last two games to make it through. In a virtual semi-final JPC host St John's College from Hamilton this Wednesday night with the game to be played on the schools home ground. Kick-off is 3.30pm and please come out and make some noise to support your 1<sup>st</sup> XI in this must win fixture.

Thanks to the teams sponsors Rotorua McDonalds.

## 2016 NZ SECONDARY SCHOOLS CROSS COUNTRY

Rotorua has been praised by Athletics New Zealand after hosting a NZ Secondary Schools Cross Country Championships over the weekend.

It was the first time in the annual cross country event's 43-year history to take place in the area - held at the Agrodome and Ngati Whakaue Tribal lands.

With 960 runners from 125 schools taking part, across nine different races, including an inaugural relay championships yesterday, thousands of spectators flooded to watch. Brett Addison from Athletics New Zealand praised the competitors and said he was impressed with the event organisation, which was led by the race meet manager, Jason Cameron, with input from Lake City Athletic Club and the local council.

For Rotorua 26 local athletes took part, including those competing from John Paul College, Rotorua Lakes High School and Western Heights High School. John Paul College had 14 students entered, only 11 competed on the day.

## CUPCKAES FOR CAMBODIA ~ Another successful effort by the JPC community

Congratulations to all those students who took part in the Cupcakes for Cambodia Competition. Thank you to Mr Davis and Bradley Ramlose for their highly professional marking. Cupcakes were given marks for a range of criteria involved with both their taste and their appearance. The overall winner of the competition was Fisher Wang, 11WT, with "Pina Colada" cupcakes from Puerto Rico. Second was a combined effort from Hyesu Yang, Eric Leung, Tamara Solon and Ariel Dannenbring, year 13, who created a "Chinese Dragon" made out of cupcakes. Third place went to Blake Evans, 8JR, with "Rumdal", cupcakes decorated with Cambodia's national flower. All of the entries were fabulous and there weren't many points between them; well done to all entrants. Fisher wins four Super Passes to Rainbows End.

Also, thank you for the fabulous response of all those who took part in the International Food Festival, including those who provided cupcakes for the cupcake stall. It was wonderful to see students, staff and parents working together to provide a truly diverse International Taste Festival. It was also great to see the enthusiasm of those who supported the fund raiser by buying and sampling tastes from around the world. The final total raised by the Cupcakes For Cambodia and International Food Festival was just over \$2400. This is a huge amount to take to the small LaSallian school we will be visiting in Cambodia in July. Thank you and well done.

For details on these and many more scholarships, visit [www.canterbury.ac.nz/scholarships/](http://www.canterbury.ac.nz/scholarships/).

### **Application Guidelines for First Year Scholarships**

#### **Eligibility criteria**

Students must always check eligibility restrictions, such as gender, age, nationality, indigenous or other special group and only apply if you match the eligibility criteria. If you intend to take a gap year in 2017, note that most scholarships that allow a gap year require you to make an application in your final year of high school.

#### **Referees**

Students referees are very important always make sure they know which scholarships you are applying for. Ensure they know the appropriate information about you that the selection committee will need to know. Referees will submit their references through the online system.

#### **Personal Statements**

Your personal statements are very important; it is your opportunity to 'talk' to the selection committee and it is their opportunity to find out what you have to say about yourself. Your statement can reflect your views and aspirations, can explain the events and people that have been major influences on your life, can describe what drives you, why you have chosen the path you have and what your plans are for the future. One paragraph statements are not ideal.
