### RUGBY NEWS

During the weekend the U14'S hosted Bethlehem, while both the U15's and the 1st XV travelled to Taupo to take on Tauhara and Taupo Nui A Tia respectively.

The U14's again had a dominant performance beating Bethlehem 45 - 15 and the U15's, although suffering a large penalty count against them, came through with a 44 - 15 win over Tauhara.

The 1st XV played a strong TNT team that had the acid on the JPC boys from the start. A mini comeback could not bring the points home and JPC were soundly beaten 40 - 18.

This week sees the 1st XV have a midweek game against Aquinas on Tuesday @ 10.45am. This will be a good challenge for the team as Aquinas plays in Division 1.

Saturday 2nd July games are as follows

U14's	JPC v Whakatane	9.15am
U15's	JPC v Papamoa	10.30am
1st XV	RBHS III v JPC	Midday

### ARTICLE OF INTEREST

This can apply to all sports, I've been there done that, greater in the knowledge that my child had the opportunity to have a go.

**FROM A RUGBY PARENT:** One of my friends asked "Why do you pay so much money and spend so much time running around for your son to play rugby?" Well I have a confession to make: I don't pay for my son's rugby training or his kit, pads, gum shield or boots. Or even his hundreds of rugby balls. So, if I am not paying for rugby, what am I paying for? I pay for those moments when my boy becomes so tired he feels like quitting but doesn't. I pay for the opportunity that my boy can have and will have to make life-long friendships. I pay for the chance that he may have amazing coaches that will teach him that rugby is not just about game plays but about life. I pay for my child to learn to be disciplined. I pay for my boy to learn to take care of his body. I pay for my son to learn to work with others and to be a proud, supportive, kind and respectful team member. I pay for my child to learn to deal with disappointment, when he doesn't get that try he hoped for, or dropped the ball despite having practiced a thousand times, but still gets up and is determined to do his BEST next time... I pay for my boy to learn to make and accomplish goals. I pay for my son to learn that it takes hours and hours and hours of hard work and practice to create a champion, and that success does not happen overnight. I pay so that my son can be on the pitch instead of in front of a screen... I could go on but, to be short, I don't pay for rugby; I pay for the opportunities that rugby provides my child to develop attributes that will serve him well throughout his life, and give him the opportunity to bless the lives of others. From what I have seen for many years, I think it is a great investment!

### **Tauranga Parent & Student Information Evening: Thursday 30th June, 5 - 7:30pm at Bongard Centre**

For those based in and around Tauranga, please spread the word about registering to come to this so that we can cater appropriately for your students and their parents/caregivers.

To be clear, there will also be another of these evenings on August 23rd but the focus of the two evenings is quite different. This one happening on Thursday is more about generally preparing students for that next step into tertiary study and is not necessarily specific to those wanting to apply for courses offered by the University of Waikato. In brief, this is our expected format for the evening:

**5 - 5:30pm:** People arrive, have some light refreshments, finger food.

**5:30pm:** A presentation gets underway that will cover key aspects such as accommodation, finance, scholarships, student support systems, the transition from secondary school to university etc. This will end with a Q & A student panel so that guests have the opportunity to hear directly from those studying right now.

**6:30 - 7:30pm:** Opportunity for people to ask individual questions of Waikato recruitment staff and the Student Ambassadors in attendance before getting on their way.

We have heard on many occasions that it is integral that parents be brought up to speed to be able to support their sons' and daughters' transition into tertiary study effectively and this is the reason why we are putting on this evening. At present, we do not have a lot of registrations so we are hoping that you can use whatever means at your disposal to promote this to the parents of the students in your schools so that we can continue to deliver this service to the Tauranga community now and in years to come as well.

The link to register is below:

<https://docs.google.com/a/waikato.ac.nz/forms/d/1MI-y1vYRPQM7r4WgASvMfQGTHum2BqdCKBwRU8wSiM/viewform>

### **Experience Waikato Day: Monday 11th July, 11am - 4pm, Hamilton campus**

This day provides another opportunity for your students to investigate their options with Waikato in Hamilton even further. If they are heading to one of the faculty-specific events such as Science or Engineering Open Day then this may not be as worthwhile but otherwise, please encourage students (and their parents) to attend. The link to register for this one is below:

<https://docs.google.com/a/waikato.ac.nz/forms/d/1L1FNS4-iNtxXtptDX9PkijPKit8tLoPauxdo9g-Z5wU/viewform>

As an added bonus, the University is able to offer 18 seats to Tauranga-based students in one of our two mini-vans on a first in, first served basis. This is intended for those who might struggle to make their way over to Hamilton otherwise and whose parents likely won't be accompanying them to the event. Feel free to give out my email address/phone number to anyone interested in going along and they can let me know themselves whether they'd like a ride over and back again. We would likely leave and return to Windermere campus in Tauranga.

### **Other faculty-specific events - also to be registered for via the Information Sessions web-page**

**Law Student For A Day:** 22nd June, 31st August, 5th October - Hamilton campus

**Entrepreneur For A Day:** 8th July - Hamilton campus

**Science Open Day:** 13th July - Hamilton campus

**Engineering Open Day:** 14th July - Hamilton campus
