Dear Parents/ Caregivers

TRACKING FOR SUCCESS IN NCEA

Reports of NCEA results of secondary schools in New Zealand, confirm that John Paul College is a very high performing school and in fact, achieves results at the same level of a decile 9 or 10 school.

Part of our success story comes from the very close cooperation between parents and teachers. As we prepare students over the next ten weeks to complete their NCEA course, please ensure you continue to monitor your child's progress and liaise with teachers.

TAKING HOLIDAYS DURING TERM DETRIMENTAL TO STUDENT LEARNING

It is essential that students remain in school during term time to get the full benefit of teaching. It is detrimental to student learning where parents take a holiday during term, often because of cheap flights. I respectfully request that unless there are exceptional circumstances, that you do not take your children on holiday during term time.

God Bless

Patrick Walsh - Principal

The college greatly values the spiritual support and guidance Sister Mary and Sister Margaret continue to provide to the John Paul College community.

SOLO (Structure of Observed Learning Outcomes) at John Paul College

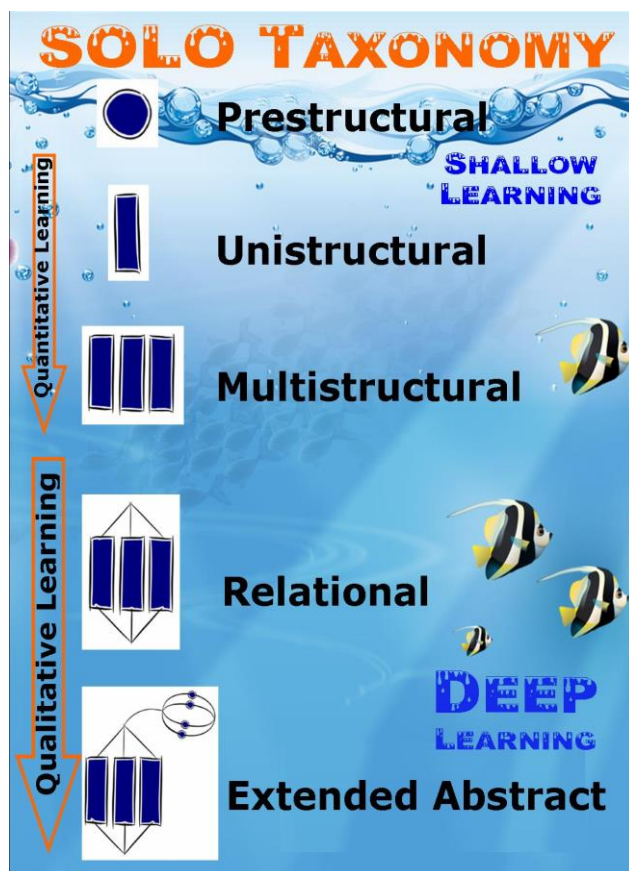

In order to achieve, students need to gain more than a basic understanding in their subject areas.

At John Paul College we have been exploring ways to encourage students to be conscious of the depth of their understanding and to gauge their understanding of key concepts.

One strategy is SOLO Taxonomy, which is a tool for finding out the pupils' level of understanding. Students (and teachers) can use the SOLO (Structure of Observed Learning Outcomes) taxonomy, along with associated maps and assessment rubrics to identify the level they are working at, then work upwards through the levels as they build their knowledge.

SOLO Taxonomy divides understanding into five levels shown through visual prompts:

1. At the first, "pre-structural" level, the pupil needs help to start the task.
2. At the "uni-structural" stage, they pick up on one idea and have a surface understanding of the tasks.
3. At the "multi-structural" stage they know several aspects, but these are unrelated. This is at the Achieved Level in NCEA subjects.
4. By the time the pupil has reached the "relational stage", they can integrate facts. This is at the Merit Level in NCEA subjects.
5. At the final stage, "extended abstract", pupils have broad knowledge, look at the facts in a new way and can use them to predict and generalise. This is at the Excellence Level in NCEA subjects.

One resource which we have used to demonstrate SOLO to our students is a You Tube clip using Lego blocks. This is the link to it <http://www.youtube.com/watch?v=uDXXV-mCLPg>

RUGBY 2016

This last weekend saw the end of the season for the U14's & U15's teams which both played at home.

The U14'S were up against Te Puke and it was a battle in the mud. Down 15 - 7 at half time they came back to build a lead and to hold off Te Puke 32 - 29 for the win.

The U15's played Ruatoki and they too had a close affair. The conditions had worsened, however they managed to bank the win 25 - 24. Both these teams have played well this season and the future is looking bright.

The 1st XV played at RBHS against the RBHS U15 Elite team in their semi-final match and this was an epic affair. RBHS were up at half time 13 - 11 and JPC were down to 14 men for the start of the second half. JPC battled away and did not concede any points when down to 14.

They then lifted and scored a try to take the lead 16 - 13 and managed to hold RBHS off by pinning them down in their own half for the remainder of the game. JPC WIN 16 -13!

They now travel to Tauranga next weekend to play at the Tauranga Domain for the final of the BOP 1st XV Div 2 Championship and the promotion rights for next season.

There was a lot of support from JPC at the game and the team would like to thank those people for battling the cold and rain.

Once again John Paul College is collecting for the Samaritan's Purse annual shoe box appeal.

Each year we ask for small gifts to be put into shoe boxes and sent to children overseas in countries such as PNG, Cambodia and Vietnam. Many of these children have never received a gift before.

This year we have told the students they may choose to **either**

- **Join together with a group** of friends and fill a box
- **Work as a form class** and fill two boxes (one for a boy and one for a girl)
- **Donate an item** or items straight to RSC2
- **Donate some money** (again drop this off at RSC2 and we will organize sending it on)

Last year we managed to fill an amazing 72 boxes!

Each box needs:

- **SOMETHING TO LOVE**
Teddy bear, doll, soft toy, etc.
- **SOMETHING FOR SCHOOL**
Exercise book, pencil case, pens, pencils, colouring pencils, sharpener, eraser, chalk, etc.
- **SOMETHING TO WEAR**
T-shirt, shorts, underwear, cap, beanie, sandals, thongs, etc. **(Please, no 2nd hand clothing)**
- **SOMETHING TO PLAY WITH**
Tennis ball, cars, skipping rope, marbles, musical instrument, yo-yo, slinky, finger puppets, wind up torch, etc. (No battery operated items)*
- **SOMETHING FOR PERSONAL HYGIENE**
Soap and face washer, toothbrush, hairbrush, comb, hair-clips, scrunchies, etc. **(No toothpaste, bubble bath or any other item that might leak)**
- **SOMETHING SPECIAL**
Carry bag, sunglasses, bangles, necklaces, craft kits, stickers, note or photo of yourself.
- **MONEY TO COVER TRANSPORT AND DELIVERY**
Although the boxes are delivered by volunteers there are many expenses incurred it costs \$9 per box so all donations of money are equally important.

There are also some items that unfortunately we cannot send they include:- Lollies, liquids of any sort including shampoo, bubble bath etc., toothpaste, deodorant, old or damaged items, anything that might break e.g. mirror, anything that can cause harm or relates to war, anything that relates to gambling such as playing cards and dice.

As with every year, you may also take home and fill a box as a family if you prefer (as many students have already chosen to do- however if you have a change in circumstances please return the empty boxes so we can fill them!).

I am always humbled by the generosity of the staff, students and their families each year in creating these shoeboxes of love.

All donations should be brought directly to RSC2 please no later than the last week of this term, this includes unused/ unfilled boxes.
