Dear Parents/ Caregivers

Kia Ora, Malo e Lelei, Talofa, Greetings

**SENIOR PRIZEGIVING Thursday November 3<sup>rd</sup>: 7p.m, Edmund Rice Centre**

Parents, caregivers and grandparents are cordially invited to attend our senior academic prizegiving, which recognises the outstanding academic achievements of our senior students. It is a wonderful opportunity to gather as a JPC community and celebrate all that has been achieved this year.

## SCHOOL THEME FOR 2017

***“Facta Non Verba – Deeds Not Words”***

The reasons behind this theme are:

- Actions speak louder than words
- Saying is one thing and doing is another
- Easier said than done
- It’s what you do that really matters, not just what you say
- Faith means little without putting into action

This theme captures a lot of what I wish to emphasize next year, particularly with some of our senior students who promise a great deal but it often does not translate into action.

It fits well also with our strong focus on social justice, being good ambassadors and living out the Gospel message.

God bless

Patrick Walsh

Principal

### **Kia ora tātou from the Counsellors**

Mental Health Awareness week (October 10<sup>th</sup>-14<sup>th</sup>) was well celebrated at JPC. The main event for the week was the planned inter-house activity afternoon on Wednesday 12<sup>th</sup>. Unfortunately the weather prevented the outdoor sports part of the day, however the inter-house haka competition went ahead and was a resounding success! La Salle House took out first place in what was a very close, keenly contested event. The judges were very impressed by the efforts and passion of all participating students and particularly commended the house leaders for their energy and commitment in leading each house so well. They also singled out Mikaere Berryman Kamp for his outstanding effort in organising and running the event.

Well done to all involved, and thank you to our judges Whaea Cecelia and Te Pō Mitai-Ngatai. Thank you also to students for their contributions of grocery items for Foodbank.

On Friday Ms Trask ran a mindfulness session at lunchtime. Once again, the weather wasn't particularly cooperative although it stayed fine just long enough to run the session outside before the rain set in. Thanks to Ms Trask and to the students and teachers who participated. This was a great introduction to the benefits of mindfulness for good mental health.

A hearty congratulations also to the six students (named in last week's newsletter) who represented the school so well in the MHA week inter-school speech competition.

Na mihi nui kia koe,

Nancy Macmillan Extn 8854

Neil Carter Extn 8808

## STUDY LINK

**Students planning to go to tertiary study after they leave school should apply for their Student Allowance or Loan by 16 December.**

StudyLink expects around 180,000 students to apply for their Student Allowance or Loan for the 2017 academic year.

Applying by 16 December means StudyLink can get everything sorted so that the student receives their funding from the start of their course.

Students don't need to have their NCEA results or have locked down all their plans in order to apply.

Their application can be updated as things are confirmed. It's more important to allow enough time for all the steps in the application process to be completed.

Students can find out more about applying for a Student Allowance or Loan on the StudyLink website.

Pop a reminder in your calendar, or even better – go straight to [studylink.govt.nz](http://studylink.govt.nz) to apply now.
