SENIOR STUDENTS FAREWELLED

Thank you to all parents and friends of the College who attended our senior academic prizegiving last Thursday evening. It was a wonderful occasion to recognise and celebrate the outstanding achievements of our students. We also farewelled our Year 13 students who have been an excellent cohort and contributed much to the school over seven years. We wish them well on the next stage of their life journey.

NCEA EXAMS UNDERWAY THIS WEDNESDAY!

The next few weeks will be critical for senior students as they sit external NCEA exams. Please be positive and encouraging of them, ensuring they get sufficient sleep, eat well, check their exam timetable and study timetable.

JUNIOR EXAMS ALSO UNDERWAY - TIME FOR REFLECTION

Your children have commenced their exams today. Once marked, the teachers will be giving students' feedback. It is important that you are also part of this process. Please show an interest in their results, celebrate what they did well and discuss areas where they need to improve.

ACTIVITY DAYS & YEAR 8 CAMP

Teachers are busy organising beach days, activity weeks and camps to ensure your children enjoy the end of the year. Teachers have committed a huge amount of their time in organisation and in delivering these activities.

It is important to recognise that in many other schools, teachers are not prepared to undertake this work. I am grateful that we have such dedicated staff who are prepared to go the extra mile.

CONGRATULATIONS TO MILAN HILDRETH, (9TW) who gained a silver medal in the **Pan Pacific Brazilian JiuJitsu Championships** held in Melbourne recently.

Milan started JiuJitsu a year ago in an attempt to learn some self-defence, She has surprised us all with a strong passion and commitment to her new sport and was honoured to be asked to accompany the team to Melbourne to compete in an internationally recognised event.

She had a tough road to the final receiving a black eye on the way, her final fight was against a girl much more experienced and a higher belt with a previous world no 2 ranking, the bout went full time with no submission and she came away proudly with the silver medal. *The photo is of her semi-final match which she won.*

CONGRATULATIONS TO CONRAD BOOKER who has been selected to represent New Zealand in the upcoming **Oceania rock climbing championships** in 2017.

Conrad has put a lot of effort into climbing and continues to get top results in national climbing competitions. He has also been selected to trial for the 2017 Youth World Championship in Innsbruck Austria which is a tremendous accomplishment. *Well done Conrad.*

WAKA AMA NEWS

JPC under 16 waka ama had 3 crews go to the regional long distance champs at Te Puru, Thames, on 29th October. Because of the weather conditions the races were shortened and the mixed crew came 1st in their class while the more experienced girls crew came 2nd in their class. Unfortunately our less experienced crew capsized (as did 2 other crews) but all got back safely. Thank you to the parents who travelled up to support the crews on the day.

THE FOOD BANK IS STILL VERY MUCH IN NEED OF breakfast cereals and any non-perishable drinks, meal foods, desserts, biscuits or crackers, rice and pasta.

CHRISTMAS FOOD

like jellies, dried packet drinks, instant puddings, sponges, cakes, mince pies, plus the above foods would be fantastic!

Thank you in anticipation

HEALTH AND PHYSICAL EDUCATION

Thursday, 27th and Friday, 28th October Mr Whalley and Mr Botha were involved with supervised of the **Year 8 Unison Pool Safety programme** at the Aquatics Centre. The feedback from students was really positive. To see improvement from some of our not so confident swimmers who were petrified about getting into deep water to, not wanting get out of the water at the end of the programme was a highlight for Mr Whalley. It is good for students to find out there are other ways of staying afloat and how to rescue people.

Coming events include, the Year 7 and 8 Athletics Sports, the Year 7 Beach Education programme and in Health the Year 7 and 8 Life Education programmes.

Friday, 4th November is the **Year 7 and 8 Athletics**. The students have been going through the qualifying process during their PE. The top students will be out for the day. Students who qualify for three or more events will be out all day. Those who are out for one or two events will excuse themselves for those events and then return back to class. Qualifying lists will be available for students to view through their form teachers and on the whiteboard outside the Sports Co-ordinator's Office, hopefully Tuesday afternoon. Students participating will need to have the correct PE gear and have a tracksuit, or warm jacket etc to put on. Ensure if your child is out all day that they have sufficient food and drink. Be sunsmart too, a hat and sunscreen lotion. A copy of the programme is set out below.

Monday, 28th, Tuesday 29th and Wednesday 30th November is the annual **Year 7 Beach Education programme**, held at Omanu Surf Life Saving Club, Mt Maunganui. We are always thankful for parents and caregivers to assist on the day, transporting and supervising students on the day. We require including teachers at least 15 adults each day. So, if you are keen to join your child with a day at the beach, please fill in the consent and transportation form if you can assist with transport and supervision. The information newsletter will go out tomorrow and needs to be returned Monday, 7th November.

The **Year 7 and 8 Life Education programme** is in school from the Tuesday 15th to Wednesday 30th November. Each class will have four periods with the Life Educator, Berni and Harold.
